The Veterans Memorial Advisory Group installs memorial bricks at the Georgetown-Williamson County Veterans Memorial Plaza three times annually. These are just before Memorial Day, before Patriot Day, and before Christmas Day. Order submission deadlines are April 30, July 31, and November 20, respectively. Sponsors will be notified by email when the Veterans Memorial Advisory Group has received its order, and will be given the timeframe their brick order will be installed.

Sponsors of brick purchases are not normally notified of brick installation. Installations are essentially construction projects. However, sponsors may arrange a photo of their brick with the Brick Committee Chairman.

Sponsors can determine locations of installed memorial bricks on the Sun City website(SCTexas.org) and on the kiosk near the back of the Social Center at 2 Texas Drive. These databases will reflect the intended placement locations prior to brick installation.

Please be aware that each brick line is strictly limited to sixteen(16) characters including spaces. Noncompliance with character limitations may result in brick-installation delays. Orders not including an email address may also delay notification.

The Veterans Memorial Advisory Group thanks you for your brick order, which not only honors a friend or relative; it helps support the maintenance of the Georgetown-Williamson County Veterans Memorial Plaza.
