

## FUN OPEN PLAY

No, it is not a league, and no, we don't use score sheets. Then, just what kind of game are we playing? It's Fun Open Play (F.O.P.)

It's open play without the seriousness of competition---No intimidation, no fear of being frowned upon just because you're learning the game of bocce, no fear of talking or laughing.

Come play a few games of bocce, have fun, laugh, talk, and get to meet new friends---that's F.O.P.

F.O.P. is being coordinated by Sherry Nogle who has six years of bocce experience. She remembers very well her first year of learning to play bocce. She experienced all those emotions. Sherry will be sharing her bocce knowledge with you and helping you develop skills such as your grip, stance, your throw, banking, blocking and bombing (her forte). She will be inviting other experienced players to come help you with whatever you want to work on. She will tell you that practice makes perfect but have FUN doing it!

F.O.P. will begin Thursday, February 3 starting promptly at 10:00. Players will draw for chips for court assignments. For the month of February, International Rules will be used. Sun City Rules will be used for the month of March.

Sherry looks forward to welcoming **beginners** and **intermediate** players to the courts. Players must have prior knowledge of rules and have played bocce before. **Registration is required.** F.O.P. is limited to 32 players. Go to the Bocce Website to sign-up now. Then it is up to you to show up and PLAY BOCCE!

Mark your calendars now for:

'FUN OPEN PLAY'

F.O.P.

THURSDAYS AT 10:00 AM

Where the bocce party never ends!
