# BOCCE TIPS **NEW-BEE NEWS** Volume 11

By Sal Caravello

**New Training Starts:** New Comers Training starts on Saturday, November 17<sup>th</sup>, these are two-day sessions for new residence, if any members are interested in participating please come join us. This is the last class of the year.

**TRAINING REVISION:** As we wind down 2018 and the weather changing every time we turn around. The last class for this year will be a two-day class, that is two Fridays. This will allow us to finish sooner and allow for more classes in 2019. We will also have size limitations, in an effort to have more personalized instruction next year. Larger than twenty-four (four per court, using six courts) is a more effective way to learn the game of Bocce' instead of our last class of fifty-six. (eight per court). Joining me next year will be my partner Sherry Nogle, who is an outstanding player, and will be warmly welcomed by the New-bees in 2019.

**END OF THE YEAR TOURNAMENT:** Well all the New-bee classes in 2018 will be leaving me and moving on within the Bocce' Club. They now represent most of the membership in our club. That is hard to believe the growth we have enjoyed this year. Thank all those that have moved to Sun City and learned to play Bocce as well as joining our club. To wrap up the year we will have an end of year double elimination tournament, open only to New-bees of class 2018. Play dates are Dec. 7<sup>th</sup>, 8<sup>th</sup>, and 14<sup>th</sup> and 15<sup>th</sup>. Check your email for further information and sign up dates.

**ReUNION FRIDAY:** Continues to be the New-bee's time to practice and play with other new players. I notice that mainly recent graduates are playing. Those experienced New-bees should come out and introduce themselves to the recent class of New-bee's. Your experience would be a big help to them.

**UNO BOCCE' NIGHT:** Wow, the weather would not co-operate with this group, but they finally had the opportunity to play together and it looks like a great opportunity to make new friends and meet people in a casual atmosphere. They will be playing the 2<sup>nd</sup> and 4<sup>th</sup> Saturday of the month, starting in 2019. If you are interested in being a part of this group email me and you will be added to their membership list.

**QUESTION:** What happens when a player rolls a ball before the pallino? A player who rolls a ball out by mistake instead of the pallino at the start of a frame has played a ball out of turn.

USBF Open Rules state: “If a player rolls out of turn or plays more balls than allowed, the opposing team has two options: Leave all balls as they rest, or remove the illegally thrown ball from play and return all other balls to their previous positions”

SEE YOU ON THE COURTS.....”

## Ladies League – Lin Vernier

Well, the Women's Bocce Championship was definitely a Treat. Nine players competed in a double elimination tournament for the 2018 Ladies Bocce champion.

Congratulations to Sherry Nogle for rolling into first place, second place was won easily by Pattie DeGroot, and Janet Lull wowed us with her skill to take third. Most of the games were very close, competitive, and hard fought.

I want to thank all the guys who came out and helped officiate the games. It made things go very smoothly and allowed the players to concentrate on their targets. Also, it was wonderful to see so many bocce members come out to watch. I know the players felt supported and the enjoyed it when the crowd acknowledged the amazing ball placement. Thanks to Steve Mellinger, John Shideler and Stanley Payne for blowing the leaves off the courts and setting up for us. Also, to Don Webb and John for staying until the very end of a long day on Tuesday to call the final games.

A wonderful end to a fun year,

Thanks everyone,

Lin

## Advanced League – John Shideler

### BYRNE WINS CLUB CHAMPIONSHIPS

Mike Byrne was undefeated on his winning path to the Bocce Club of Sun City 2018 Open Championships. Mike played Don Webb in the finals and won by a 12 to 11 score. Don Webb placed second in the tournament and Larry Hunting was third.

Twenty-eight (28) members played fifty-four (54) games during the three-day, weather delayed event. Over fifty percent of the games played resulted in very close scores, 12-8 and above. Eleven games resulted in 12-10 or 12-11 scores.

Many thanks go out to members who helped officiated these games. Also, thanks to those who helped prepare the courts for play. Thanks to those people who came out to watch the finals. One of the largest crowds in recent history.

### LARRY HUNTING IS TOP SCORER IN ADVANCED BOCCE LEAGUE TOTALS

Congratulations go out to Larry Hunting for placing first in scoring of the six combined Advanced Bocce League play of 2018. Larry scored 824 points, which was 129 points higher than the second-high score.

Thirty-three (33) members played in the six leagues this year. Five of the leagues were played under “Sun City” rules, the sixth league was played under international rules.

The following is the list of the top ten (10) scorers of Advanced League of 2018: Jim Budde, Mike Byrne, Larry Hunting, Janet Lull, Marilyn Marlar, Stanley Payne, George Ryppe, John Shideler, Don Webb, and Bill Wightman.

Many thanks go out to the participants who made our League play so successful. The top 10 scorers qualified for the Annual Club Championships. This was the second year in a row that we have had a 16 player, double elimination tournament for the Championship.

**CONGRATULATIONS!**  
**5+**  
**HIGHROLLERS**

**Larry Hunting – scored 5 pts.**

**Pam McElen - 5pts.**

### **Neighborhood Bocce Challenge**

Eight teams participated in the Bocce Neighborhood Team Challenge. The first-place winners were members of the Neighborhood 50 team: Bill DeGroot, Patti DeGroot, Jill Wilson and Janet Platteborze. A winning score for a game of bocce is 12 points. Each of the first-place winners had a 12-point score in the final competition.

Second place went to Neighborhood 57. Team members included: Darrell and Sue Loy, Ron and Robin Pontiff.

Neighborhood 38 took third place. Members of the team were Dave Grebb, Stanley Payne, Nat Tempe, and Keith Laubscher.

Congratulations to all the winners.
