

Sundancer Square and Round Dance Club Newsletter

Let's get back to dance and enjoying each other's company. **Cookies provided!** Dance **FREE on both July 12th and 19th in the Ballroom.** Sundancer Square and Round Dance Club's first square dance since COVID is July 12th. We start at **6:00 p.m.** Masks are optional.

Brad is well aware that most of us will require review for even Main Stream calls. We are confident in his ability to evaluate the floor as we dance. Brad will start off with review and then re-evaluate on a weekly basis. He will be workshopping calls as they arise. After 7:30 p.m. he will be calling an hour and a half of alternating Mainstream and Plus tips for those who have managed to retain their dancing skills. Depending upon the floor, he may call an advanced tip at the end.

Sundancers are committed to making sure that **ALL** dancers are able to dance. We plan to continue to support our singles. All Sun City residents may attend three of our dances, but are then required to join our club.

We were able to resume our Round Dance group on Sundays in June with masks optional. I'm excited to report that we have 11 couples who are members of the club and are enjoying Round Dance!! We've had as many as 12 guest couples dancing.

Dances can be found at www.asrda.org

Other area dances: Fliers are available on the Sundancer website.
