Microsoft Office Classes Announcement:

We are setting up Microsoft Word & Excel classes for fall based on the interest of club members. The classes are taught using Word & Excel 2010 but all the features and functionalities are applicable with other versions from 2007 to 2016. Check the course descriptions on the club website www.sctxcompclub.org for our MS Word 2010 Intro, MS Word 2010 Intermediate as well as the Templates class and Excel 2010 Intro. If you have interest in our Word and/or Excel classes, please let us know at training2@sctxcompclub.org.

Every day we hear of new malware attacking computers---Learn how to be safer on the web in our new class- - - Safer Web Browsing. The class is offered on July 17---there are a few spaces left.

We have openings in our July & August Windows 10 classes and Mac classes. For Mac users---a few spaces left in the new iCloud Basics class in August.

Just added---Beginning Genealogy on September 11,14,15

The class calendars can be found here: www.sctxcompclub.org

Reminders:

Cyber Security: Cyber security today is a rapidly changing landscape of news and events. In an effort to keep the membership informed the computer club has a link on the Cyber Security SIG's web page to NEWS BLOG. Using this link brings up the most recent postings in a digest form. If members see item(s) that are of interest, click on the item(s) as they scroll by. Opening any of the items on the scrolling digest opens all previous items in a separate web page. [Message from the Cyber Security SIG.]

Malware Help: microsite is available for use. Click here.

Lab Hours: Mon. and Sat. 9:00 am – noon. Tues., Wed., Thurs., and Fri. 9:00 am – 3:00 pm

Help Center Hours: Tue. 1:00 – 3:00 pm, Fri. and Sat. 9:00 – Noon. For additional information, see the Computer Club's pages on the community website.

If you are signed up for a training class and cannot attend, please stop in the CyberCenter or call 868-9780 to cancel with the Monitor. You will be given credit which can be used for a future class of your choice.

Someone else may be waiting for a chance to take the class. This is especially important with the Windows 10 classes, as many members are waiting to take the class.

Bringing Cyberspace to the Community
