

STAYING CONNECTED AFTER CUTTING THE CORD

@MIKEGTV

We will talk about

- Is cutting the cord for me/us?
- OTA Antenna
- Requirements for Recording/DVR
- Internet Requirements
- Smart TV & Streaming Devices
- Streaming Services

Is cutting the cord for me/us?

WHY CUT THE CORD ?

\$\$MONEY\$\$

SAVE ON MONTHLY FEES LIKE:

- Cable/Satellite monthly service fee (That keep going up)
- Cable/Satellite equipment lease fee (devices that are connected to a Tv – Tivo, DVR, DTA installed by service provider)
- Any other fees that you are being charged for (example – Sports package surcharge fee when you don't have that package)
- Customizability of what you want.

WHAT ARE MY OPTIONS?

can I still watch my favorite shows and movies?
