As many of you are aware, GISD Bond Election has been in the news for the past month.Â Election Day is Tuesday, November 3.Â As a member of the Citizen's Advisory Committee that recommended this election to the GISD School Board, I can say with confidence this bond is about needs, not wants and will position our district well for the future.Â It will include renovations to Tippit, a fourth Middle School that will feed into East View and a new state of the art Annie Purl Elementary Campus , also in EVHS attendance area, safety and security upgrades at a number of schools, GHS renovations, and other projects across the district Â

Make your voice heard!Â Be sure to vote Tuesday.Â Polls are open from 7:00 AM to 7:00 PM

It would help me if many of you choose to sign up for an easier way to send this newsletter:

Please consider the following: Â There is now a committee of several East View parents who will be assisting with getting information out on lots of East View "happenings" this year.Â One of those parents hosts a site for her business where you can sign up to receive this monthly email which will make is much easier for me to send them to large groups. Â (we now number over 60 families and I cannot send more than 50 emails through gmail) As we grow, this will allow us to send out emails to many people with the click of one button.Â

Your email address will not be given out to anyone or used in any way other than for this email. Â Â **However, you must sign up to receive it through this site.** There is also a privacy note you may access to learn more about privacy and security.
