

Welcome to fall everyone, even though the weather is not very cool, activities are heating up at East View High School! You are receiving this email because you joined the EVHS Community Booster Club with a donation of \$10 or you have indicated an interest in keeping up with East View activities or attending events.

Ours is an inter-generational group of people who want to support all Georgetown kids and who understand that kids thrive when adults are involved in their lives.

Last year Trish Douglas, director extraordinaire of the EVHS choir program, gave an impassioned speech at the May Open House which included many Sun City residents visiting EVHS for the first time about the need to have two shirts, a blue shirt for GHS and a red shirt for EVHS. One Community, two schools! This group was begun to support that philosophy by encouraging support for and attendance at the events at East View High School.

Welcome to our second year! Whether you enjoy volleyball, music, tennis or swimming, there is something below. **Check it out and especially the upcoming special events at the end of the email as well as a link to sign up for this information in a different way.**

Check out some great volleyball! **EVHS Volleyball Home Games:**

**Please consider the following:** There is now a committee of several East View parents who will be assisting with getting information out on lots of East View "happenings" this year. One of those parents hosts a site for her business where you can sign up to receive this monthly email which will make it much easier for me to send them to large groups. (we now number over 60 families and I cannot send more than 50 emails through Gmail ) As we grow, this will allow us to send out emails to many people with the click of one button.

Your email address will not be given out to anyone or used in any way other than for this email.

**However, you must sign up to receive it through this site.** There is also a privacy note you may access to learn more about privacy and security.
