

PRESENTS

The Stacy Group, LLC is joining up with the Women's Golf Association and will be the Title Sponsor for the President's Cup Tournament on May 6 and 7. We are especially proud to announce as this is our first Tournament Title Sponsor!

Don Stacy worked for Del Webb's new home sales at the very beginning when Sun City was just land and a dream.

In 1998, he left and started The Stacy Group. The Stacy Group's focus is to Sun City assisting our clients with resales, new home sales, and leasing.

In 2011, Del Webb/Pulte honored The Stacy Group by allowing us to be the only real estate company with a sales location inside Sun City.

One of the reasons we were given this honor is because our concentration is Sun City.

Have you noticed our longhorn mascot? Madison is a symbol of strength, intelligence, and honor. He was created in memory of Don Stacy's father, Madison Ray Stacy, who lost his life protecting our country and all our military past and current that sacrifice for us. We honor all of our military and appreciate what they do for us every day.

For all WGA members who are considering selling, renting, or buying, take the time to stop by and visit with all the nice folks at The Stacy Group!

At the Presidents Cup tournament, The Stacy Group, LLC will be at the courses and the awards luncheon so please stop by and introduce yourselves to them and thank them for being our Title Sponsor to The President's Cup!

Special thanks to:

Robert Burgess

Charlotte Hohensee

Cameron Freeman

Roxanne Rylander
