Photographer of the Month
November 2019
Ken Johnston

I have lived in Texas for the past 40 years and in Sun City for the last three. During my career in System Engineering, I became interested in large format film photography and darkroom. After retirement, my wife Rita and I began traveling and developed a passion for birding. This led to taking photos of birds. After joining the Photo Club in Sun City, I began to expand to photography of all subjects, although nature photography is what I photograph the most.

Each month a club member is featured to help all of us get to know each other just a little bit better. View Ken Johnston's three printed photos at the Cowan Creek Amenity Center in November. Sixteen of Robert's digital images are posted in a gallery on the club's website, along with his biography.

A special thanks to **Walt Grabowski** for coordinating this exhibit.

This month's Competition SIG meeting was very informative for those members that submitted images. Allen Utzig and Dean Ginther provided alternate examples of post processing recommendations. The competition portion was followed by a peer review of images submitted by those in attendance; another example of club members helping other members improve their photography skills. November's meeting has been cancelled; however, December's meeting will take place on December 27. Bring your leftover Christmas cookies.

Fun Foto Social

October 25 from 4:00 - 6:00 in Meeting Rooms 1 & 2, Activities Center

Please bring enough goodies, snacks, finger food, etc. to share with the rest of the group. As always, remember to bring your own choice of beverage, unless you just like the Activities Center water better.

1. Please resize your images down to 1200 pixels on the long side (which is more pixels than we need anyway). That way you can attach all of your files to a single e-mail message.
2. Attach your photos to an **E-MAIL MESSAGE** sent directly to my address: jsandham77@gmail.com That will enable me to load them onto my laptop PC well before the meeting.
3. DO NOT bring your photos on a FLASH DRIVE. That method is messy and delays the meeting for me and you.
4. Send me no more than ten (10) images each month. Be prepared to "talk to" each of the photos so we can appreciate them better.
5. Send them to me by the end of the Wednesday before that month's Fun Foto Social.
