## **What happened in March:**

**The Super Thirsty Thursday was held on March 7<sup>th</sup> in the Lone Star Room at the Retreat. Approximately 165 members and guests enjoyed pizza, salad, and a Beverage Bar. Music was provided by fellow Solos members, Ralph Ruth and Phyllis Frey. Thanks to all the volunteers who made this Super TT a success.**

**On March 14<sup>th</sup>, the Daytrippers made a short trip to a special park in Georgetown, The Berry Springs Park. We walked around one of the shorter trails, admired the pecan tree orchard and petted the donkeys. The best part of the trip, though, may have been having breakfast tacos at San Pedro Limon and shopping at the Assistance League Thrift Shop. Watch your email for the next Daytripper trip. If you have a large safe vehicle and don't mind driving for one of our Daytrippers, please let me know. (Pauline at [pfred955@gmail.com](mailto:pfred955@gmail.com))**

**In other news, Solos now has 670 members. 556 are returning members and 114 are new members. If you get a chance, please welcome our new members and let them know about all of our activities.**

Daytrippers, Aurora Pena, Sally Paulson, and Barbara Picone enjoy a walk around Berry Springs Park. If you haven't been out there, you definitely need to check it out.

A tree was planted at Legacy Park on March 19<sup>th</sup> in memory of Jill Wilson by several Solos and Zoomers Bowling Members. It was a loving tribute to a kind and wonderful friend.

**Lost and Found:**

**A couple of items were left behind at our recent social events. If you are looking for this pretty earring, Sue Baucom has it. Barb Duke also has a pretty black scarf that she would like to return to the rightful owner. If you are missing either of these items, please contact Barb or Sue.**

**If you have pictures or news that you would like for us to consider in future newsletters, please contact Pauline at [pfred955@gmail.com](mailto:pfred955@gmail.com).**
