

Kaki Bassi

BIO

Kaki has been creating art for fifty years and has taught workshops and operated 4 art galleries in Cabo San Lucas, Mexico. She has her MFA from WTSU in Canyon Texas. Has had various exhibits in US and abroad. Taught in Public school and College level. Also works in sculpture in the Creative Clay Club. A teacher with a life license, she applies many basic learning principles to her classes, enthusiastically meeting each student at the appropriate level. Offering demonstrations of techniques and the characteristics of different types of Medias, papers, and other related materials, Kaki covers a wide range of possibilities.
