The new iPhone has not been announced yet.  
From all of the discussions on the web, it should be introduced this month for an early October availability.  
Stay tuned for an email announcement.

What do all of these codes mean?  
The app to scan these is called: AT&T Code Scanner.  
As of today, it is free.

After you scan them, they will bring up text, urls, youtube video locations, and other information.  
Once you load the scanner app, you can try it on some of these jokes below:

What about the iPad???

## iPad Sale

**Here is another book that you can use that shows how to use the iPad:**

<http://www.makeuseof.com/pages/download-five-star-guide-for-your-ipad>

It is a .pdf file that you can then load onto your iPad for viewing.
