How to Get Siri Suggestions

From the Home Screen - Swipe From Left to Right.

How to Get Siri Suggestions

From the Home Screen - Swipe From Left to Right.

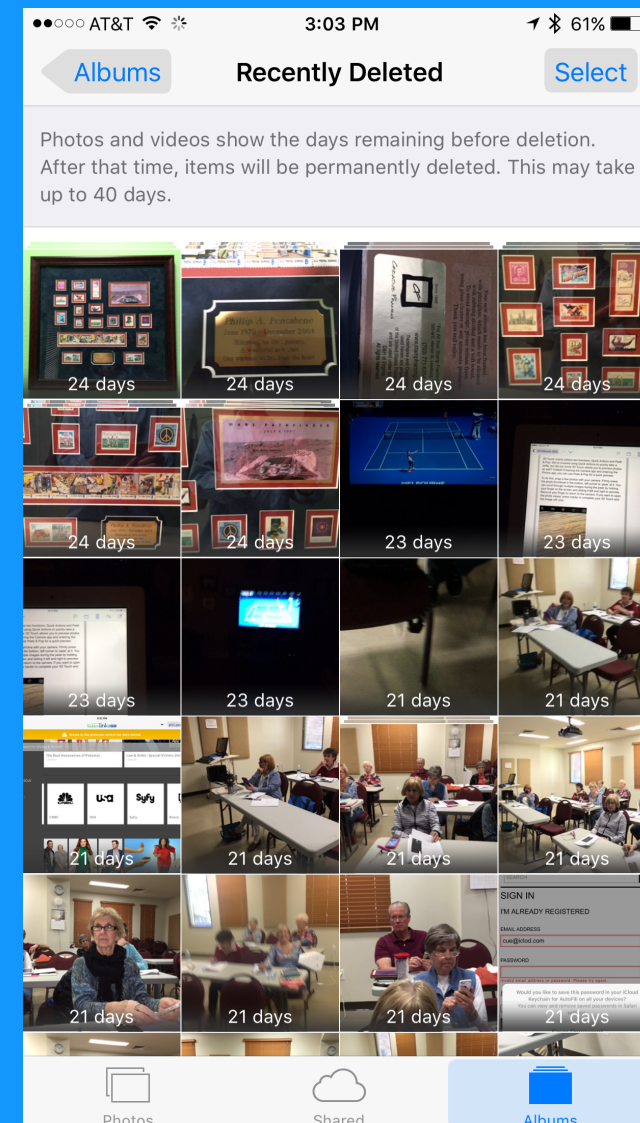

Search Bar
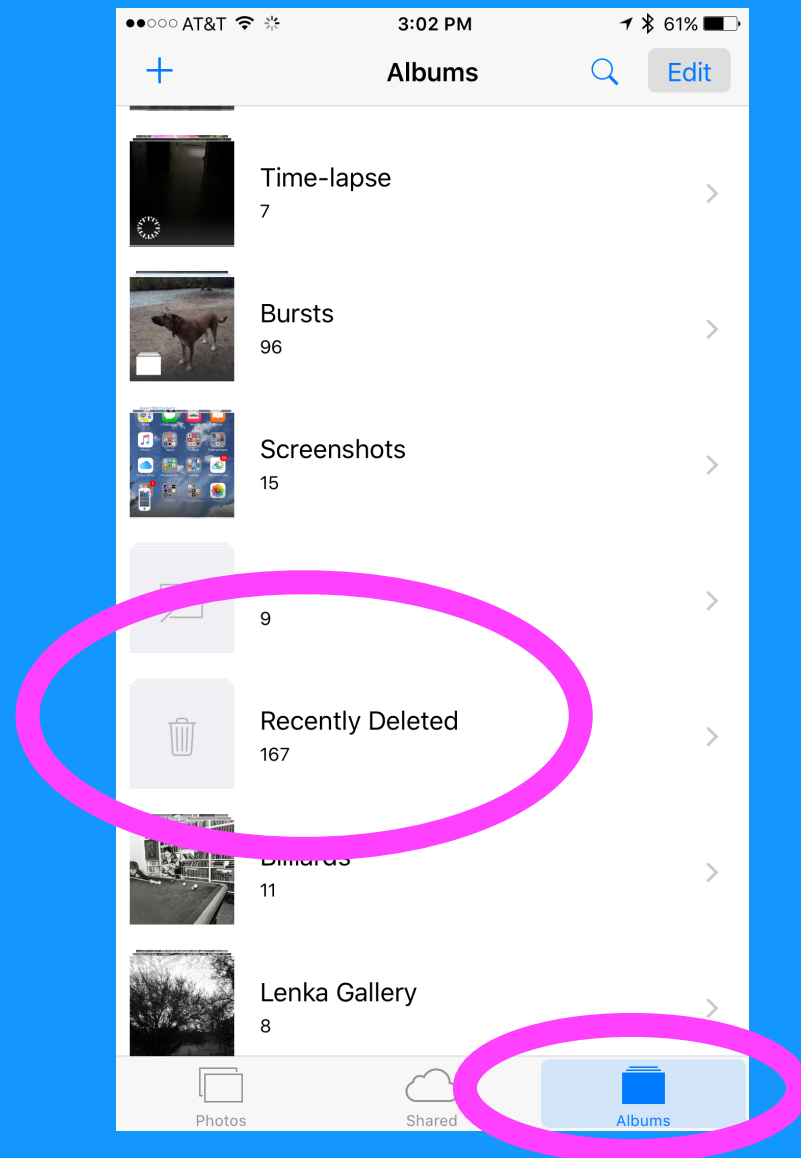

Recent Contacts

Frequently Used Apps

Nearby Points of Interest
(Time of Day & Your Location)
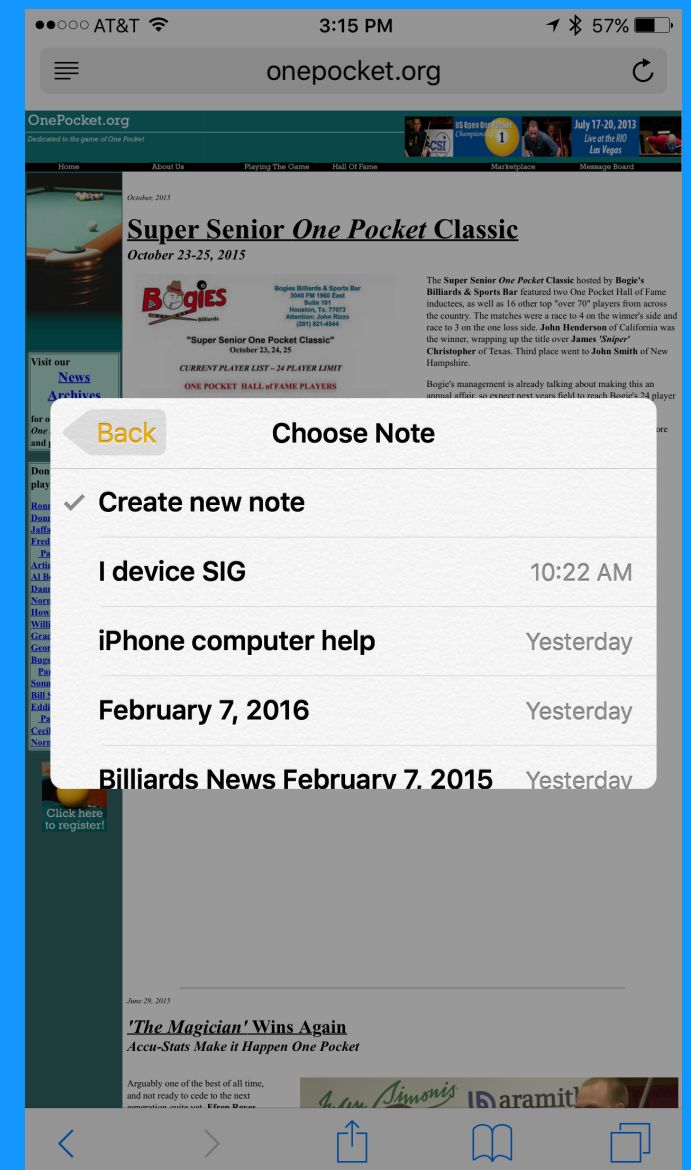

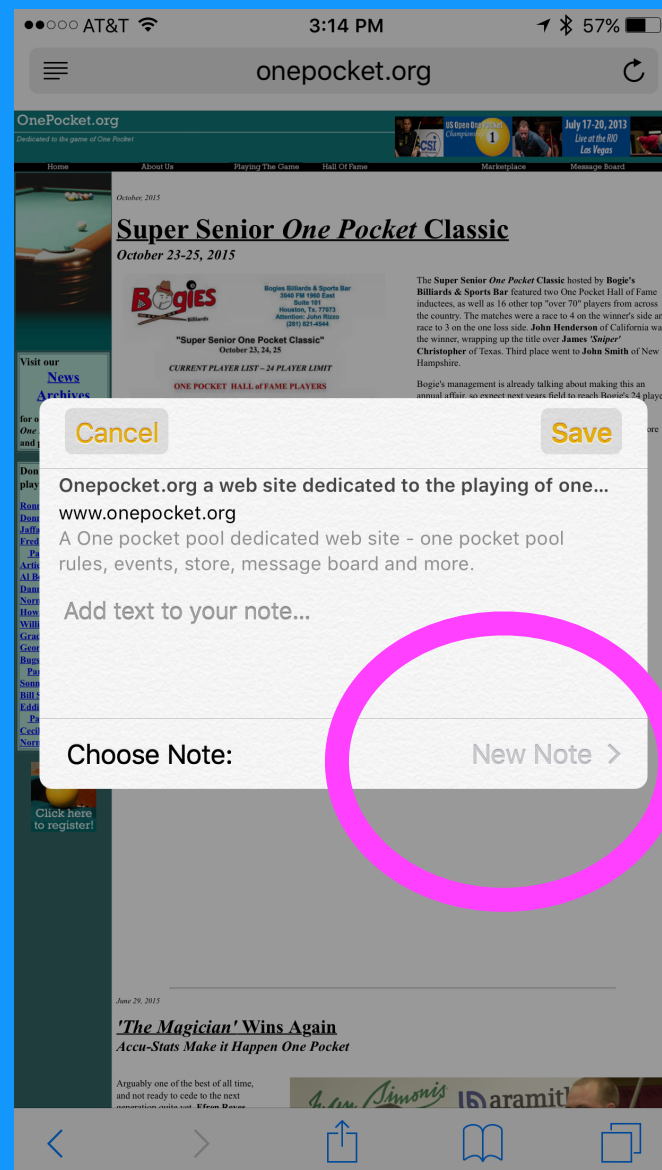

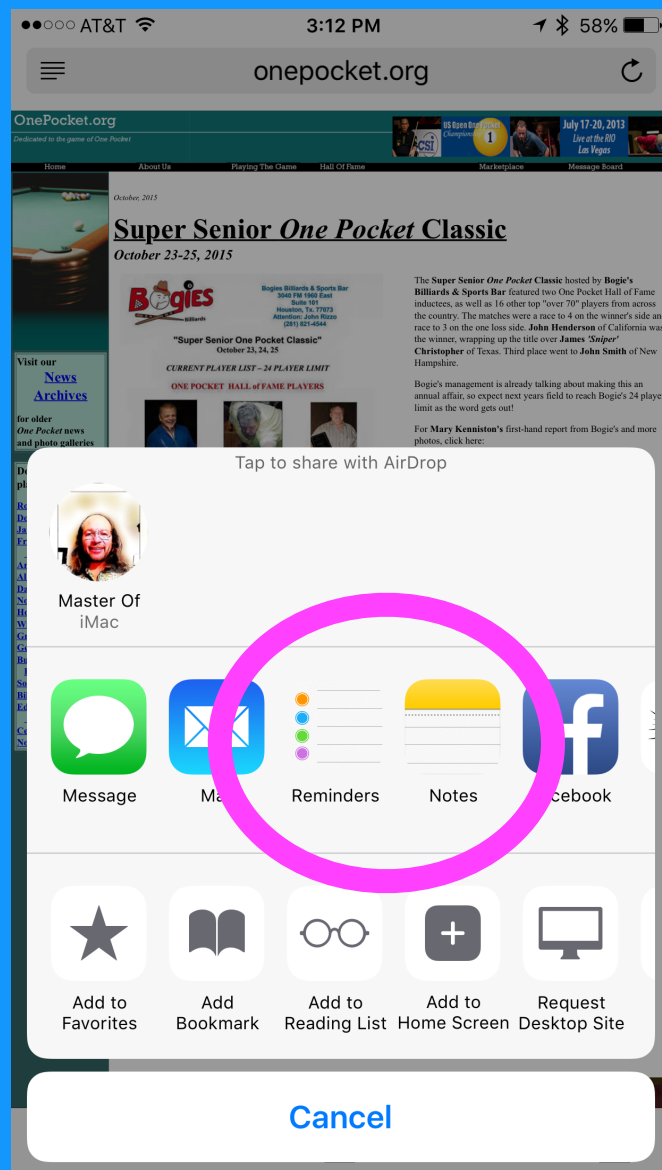

Current Events News Items

Reclaim Space by Deleting Photos/Videos

## But Don't Forget the Recently Deleted Folder!
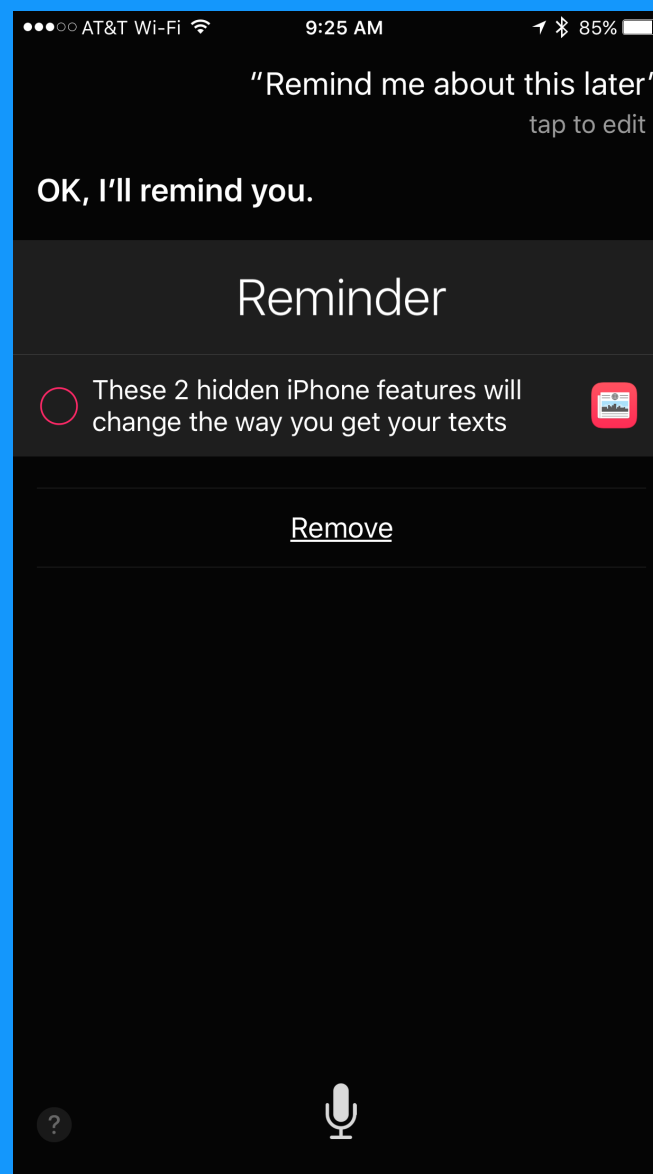

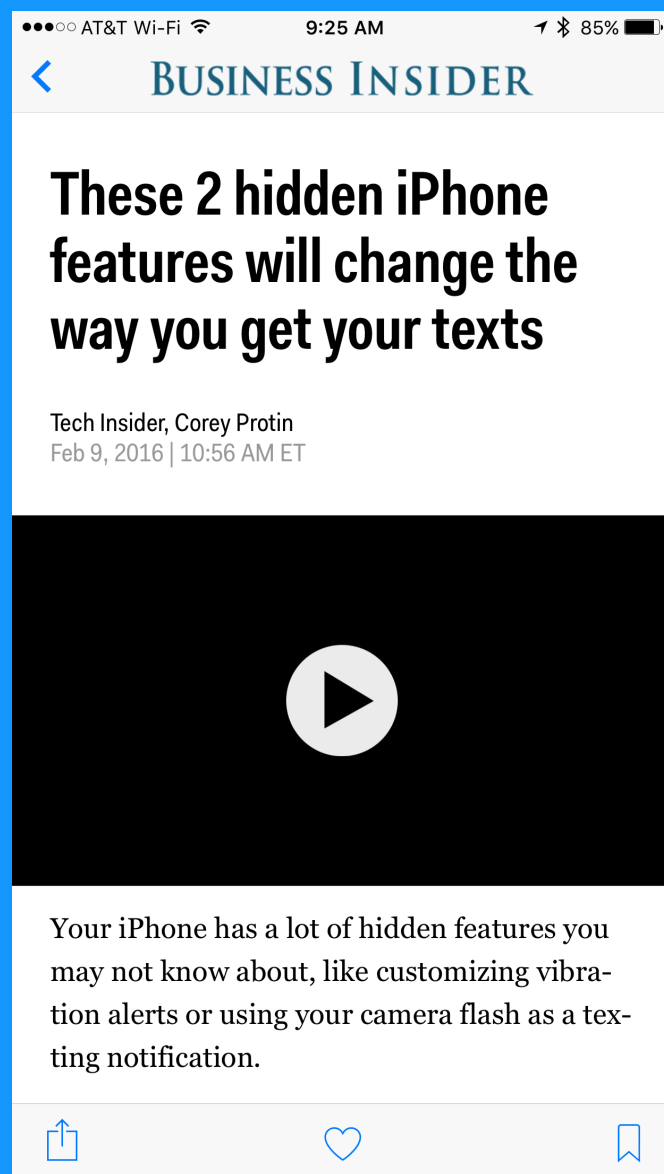

Save Webpages and News Articles
To Reminders and Notes

## Tap the share button, select which note to save it to.

Use Siri to Remind You
About Webpages and News Articles

- Hey Siri - Remind me about this later
- Hey Siri - Remind me about this at 5:30pm tomorrow

Use Groups from Contacts to Send to a Mailing List

Just Type the Group Name into the To: Field.

Put the Apple Symbol *into Keyboard Shortcuts*

 Go to this website:
  http://osxdaily.com/2015/03/05/type-apple-logo-ios-keyboard-shortcut/
 Tap and hold the apple symbol
 Select copy
 Settings > General > Keyboard > Text Replacement
 Tap the Plus sign '+' to add a new shortcut
 Paste the apple symbol into the 'Phrase' field
 Enter 'apl' into the 'Shortcut' field

Sign a PDF on Your iPhone

 Open a PDF from an email (or send one to yourself)
 Tap the open pdf to get the header/footer to display
 Tap the markup toolbox icon in lower right
 Tap the signature icon in lower right
 Select 'Add or Remove Signature'
 Tap the plus sign '+'
 Sign your name using your finger (or a stylus)
 Tap Done
 Move and resize signature as needed
 Tap Done
 Next time - just select your signature

Add Text to a Picture
- Select a picture from the photos app
- Tap the Share icon and tap mail
- Double tap and select the picture
- Tap the picture and select 'Markup'
- Select 'Text' icon
- Select color and Font choices
- Tap the default 'Text' and select edit
- Enter your text
- Move and resize text as needed
- Tap Done
- Enter To: and subject info
- Send you yourself and 'save' to keep it

Share a Reminder List

 Open the reminders app
 Tap the title of the open reminder to see all lists
 Tap the reminder list you want to share
 Tap 'edit' in the upper right
 Tap 'Sharing'
 Enter a person (must be an Apple person)
 Tap 'Add'

Put Commas in Phone Numbers for Extensions

 Add or edit a contact

 Enter the area code and number

 Tap the special character key (lower left)

 Tap 'Pause'

 Enter the extension then tap 'Done'

Miss a Lot of Text Alerts?   -   Two Tips

 Settings > Notifications > Messages > Repeat Alerts

 Settings > General > Accessibility > LED Flash For Alerts'
