Ease of Access

Vision

- Display
- Cursor & pointer size
- Magnifier
- Color filters
- High contrast
- Narrator

Display

Make your display easier to see.

Make text bigger

Sample text

Drag the slider until the sample text is easy to read, then click Apply

Apply

Make everything bigger

Change the size of apps and text on the main display

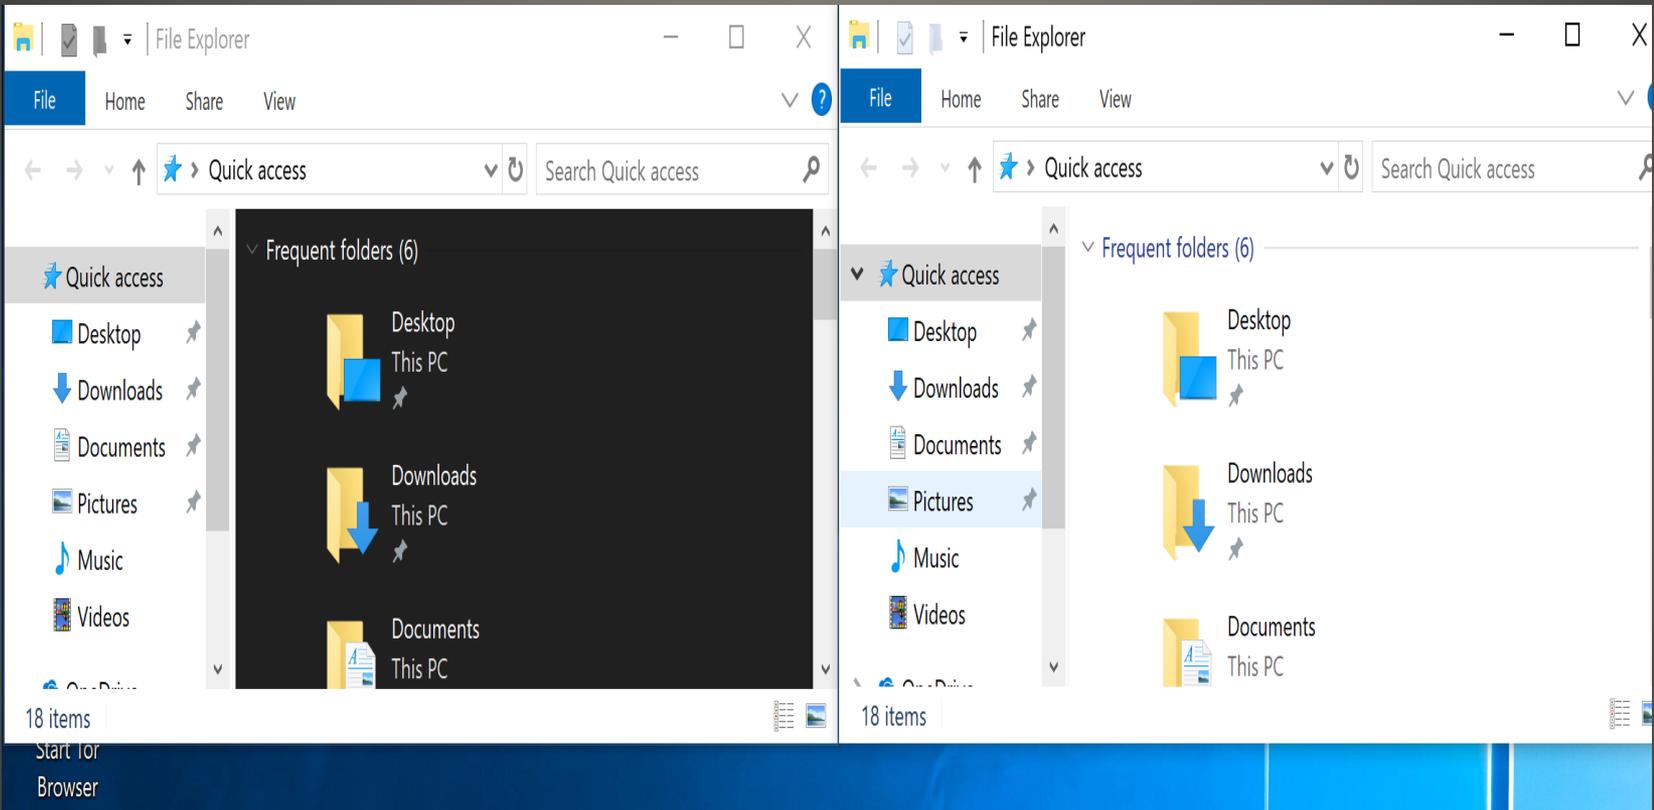

200% (Recommended)

[Change the size of apps and text on other displays](#)

[Change the size and color of your cursor and mouse pointer](#)

Display text size slider

- Settings > Personalization > Colors

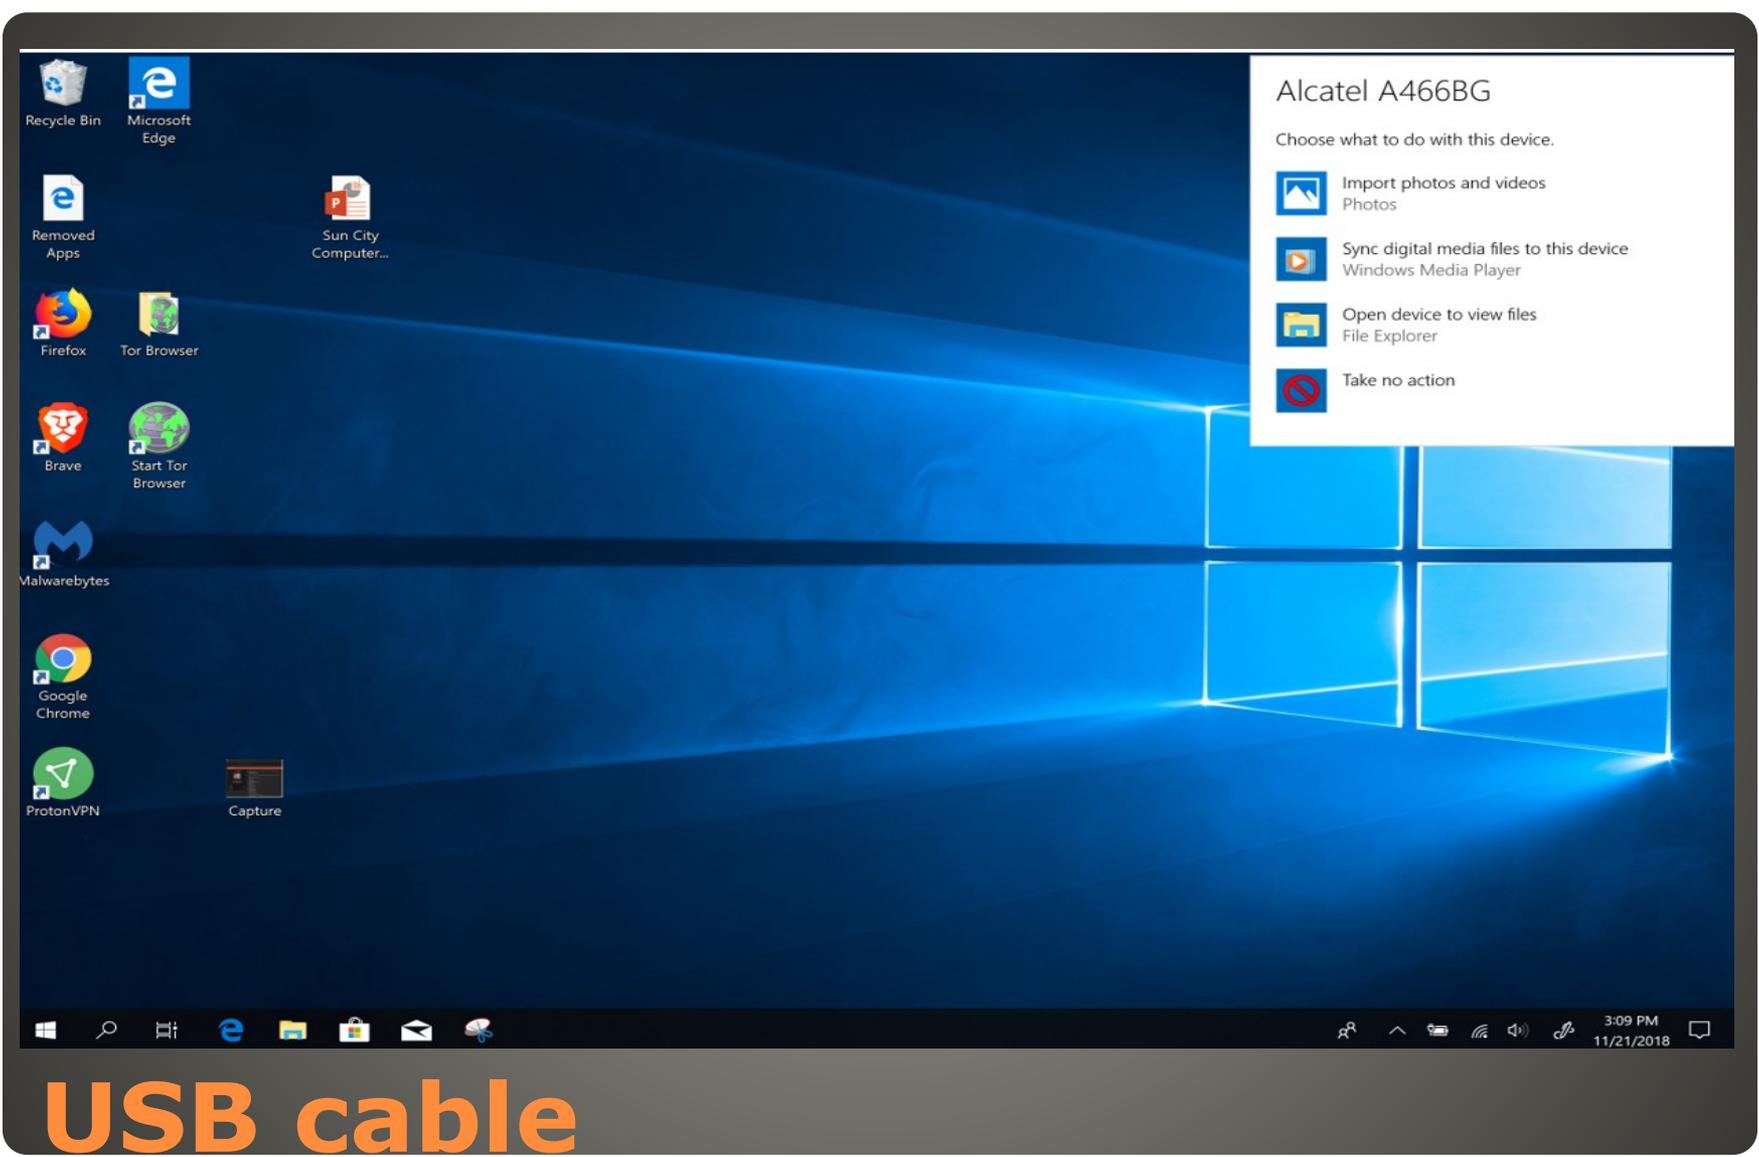

Dark Mode File Explorer

- Settings > Devices > Typing
- Same as iDevices, Android, similar
- Learns your typing *style*
- Swipe for onscreen keyboard vs hunt & peck

SwiftKey

- Android centric
- Uses Microsoft account
- Requires phone device to be setup
- SMS messages via PC
- And more ...

Your Phone

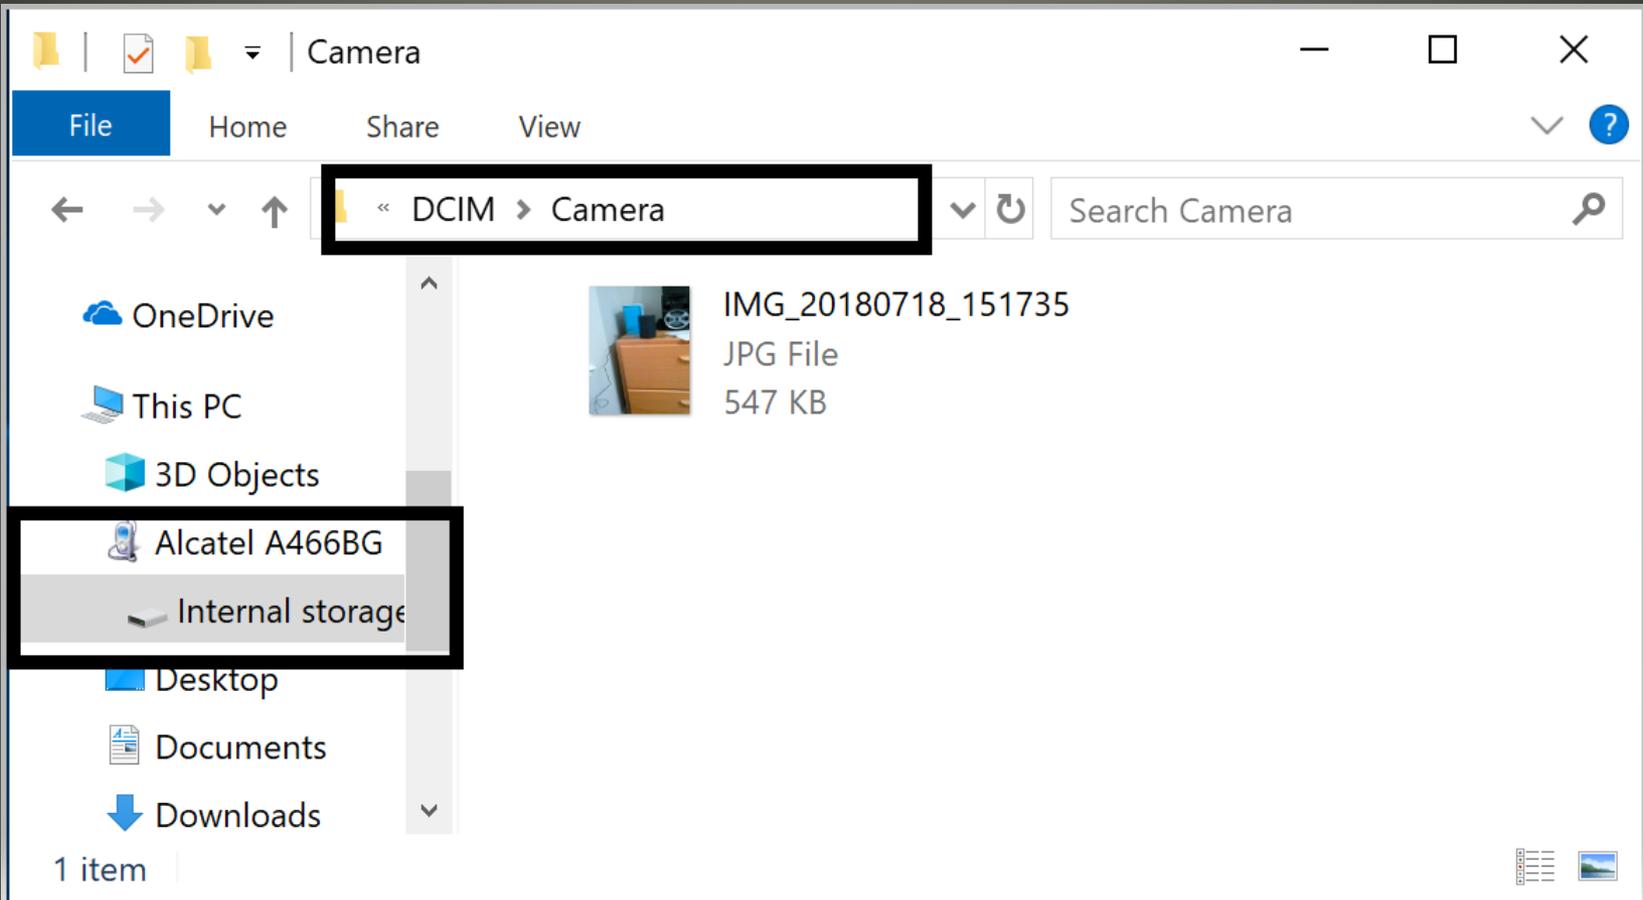

Alcatel A466BG

Choose what to do with this device.

-  Import photos and videos
Photos
-  Sync digital media files to this device
Windows Media Player
-  Open device to view files
File Explorer
-  Take no action

USB cable

Where are the pictures then?

- Power Usage
- Power Usage trend

The screenshot shows the Windows Task Manager Performance tab. The 'Power usage' column is highlighted with a black box. The table below shows the power usage for various applications.

Name	Status	CPU	Memory	Disk	Network	GPU	GPU engine	Power usage	Power usage t...
Apps (7)									
Notepad		0%	1.3 MB	0 MB/s	0 Mbps	0%		Very low	
Paint		0%	2.0 MB	0 MB/s	0 Mbps	0%		Very low	
Google Chrome (36)		0.7%	1,734.3 MB	0.1 MB/s	0.1 Mbps	0%	GPU 0 - 3D	Very low	
Microsoft Edge (8)		0.1%	322.4 MB	0 MB/s	0 Mbps	0%		Very low	
Settings		0%	0 MB	0 MB/s	0 Mbps	0%		Very low	
Task Manager		0%	21.4 MB	0 MB/s	0 Mbps	0%		Very low	
TCP/IP Ping Command (2)		0%	5.4 MB	0 MB/s	0 Mbps	0%		Very low	

Task Manager

- Improved search

October 2018 Update other features

- High Definition Color settings
- Inking & 3D for PowerPoint & Word
- Storage Sense cloud and local
- Emoji
- Font install for non-administrators

- Your experience?

October 2018 Update other features

- Settings > Windows Update > Advanced Options

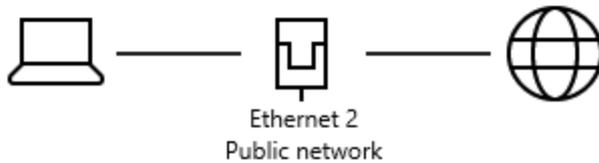

Update control

- Settings > Network & Internet

Status

Network status

You're connected to the Internet

If you have a limited data plan, you can make this network a metered connection or change other properties.

[Change connection properties](#)

[Show available networks](#)

Update Control

← Settings

🏠 BirdDog2

Metered connection

If you have a limited data plan and want more control over data usage, make this connection a metered network. Some apps might work differently to reduce data usage when you're connected to this network.

Set as metered connection

On

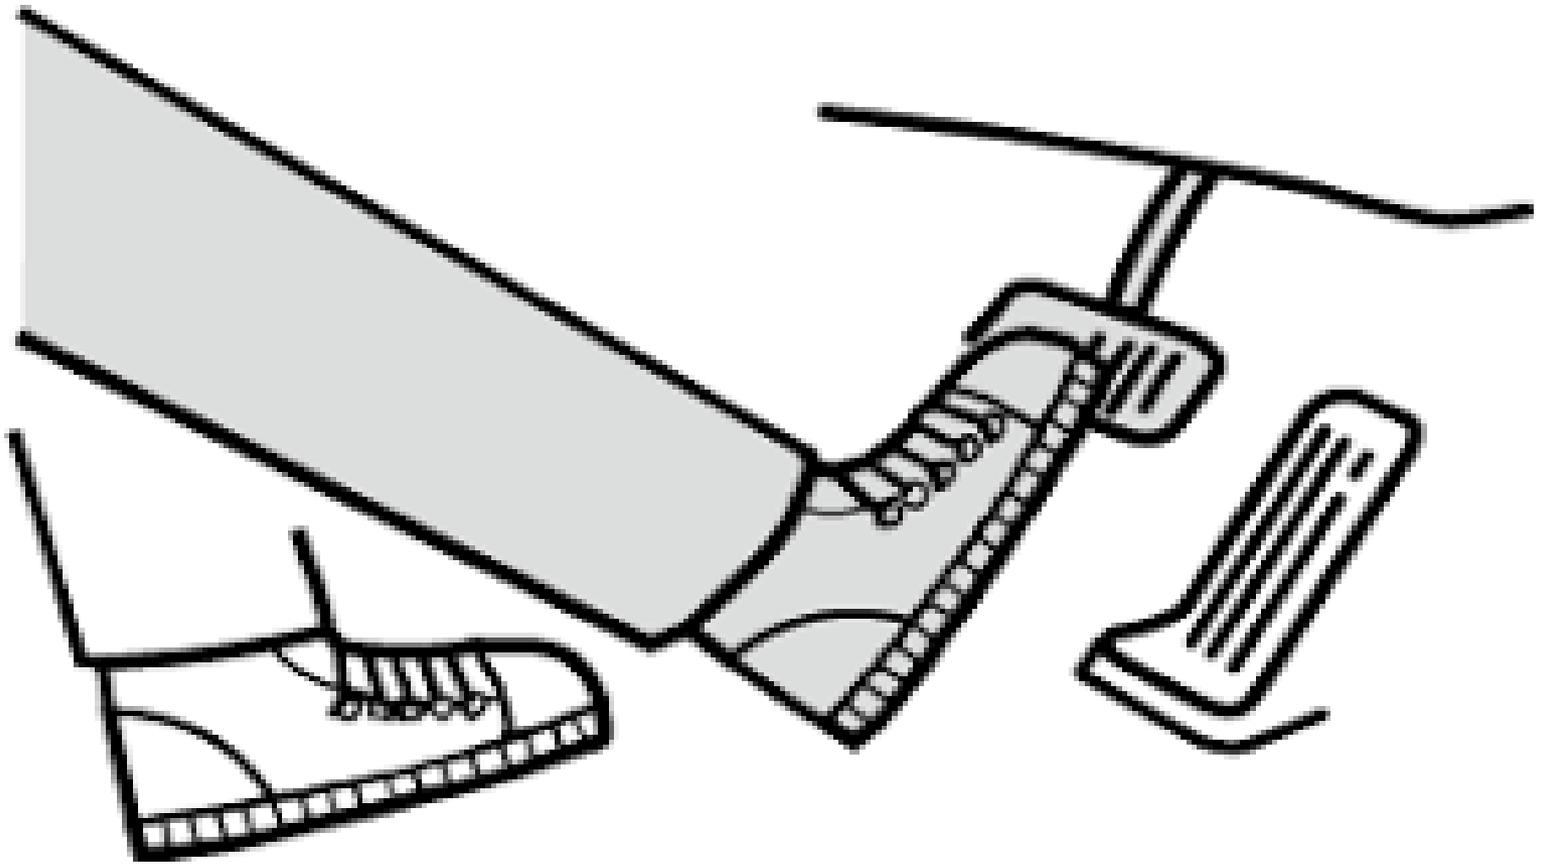

If you set a data limit, Windows will set the metered connection setting for you to help you stay under your limit.

[Set a data limit to help control data usage on this network](#)

Update Control

- Note your product keys
- MCT and/or recovery drive
- Create explicit restore point
- Backup 1-2-3
- Cleanup disk space
- Use mains power
- Check for updates to applications
