

Renovation Inspiration

As announced at our January celebration meeting, **Women Helping Others** will be partnering with **The Georgetown Project** to present the **Renovation Inspiration Tour** of approximately six Sun City homes on Saturday and Sunday, **May 5-6, 2018**. The tour will showcase points of interest in each home with before photos, where available, and the names and contact information of the vendor(s) or service providers that did the work. Nothing like this has been done before in Sun City.

The tour is an excellent way to showcase how WHO supports worthy organizations like The Georgetown Project and its programs like The NEST, Kid City (their summer camp for economically disadvantaged K-5th grade children), and their After School Action Program for middle schoolers. It will also be a lot of fun!

There are a couple of spaces left for homes on the tour. If you know of a home that you think would be great to showcase, please call **Jan Soula** at (512) 591-7335 or zupik@aol.com or **Peg Levy** at (512) 915-8777 or peglevy54@gmail.com. Also, we are calling out to our members for people who would like to help plan and stage the event as a committee member or docent. Let's come together to support this exciting fundraiser. All volunteers will be treated to a private preview thank you tour of the homes on Friday evening, May 4th.

Please contact Jan or Peg if you would like to help or are interested in helping us in the planning stage. We will be meeting at 2:00 PM on Monday, January 29th.

Thank you WHO ladies,
Pam Gardner

WHO President
