WHO

Women Helping Others

***WHO is a cohesive group of Sun
City residents with a passion and
purpose for caring, sharing and
serving the extended community.***

WHO

Women Helping Others (WHO) is a Sun City charter club that meets the fourth Monday of the month in the Sun City Ballroom at 2 Texas Drive.

WHO invites speakers from local non-profit organizations to educate its members on the many needs of Williamson County.

Together, WHO members are making a positive difference in our community by donating funds and volunteering their time.

Mission Statement

WHO partners with area non-profits; providing time, donations and assistance while fostering camaraderie, fellowship and inclusion among its members.

Annual membership dues are \$10. A \$10 donation is optional at each monthly meeting.
