Members Present: Nancy Chessman, Boyd Chessman, Rebecca Moore, Judy Hofer, Char Wehner, M.J. Riedlinger, Dianna Franzen, Judy Parsley, Jim Nobert

General Discussion:

*There was a discussion about how the men's happy hours are decided and communicated to the social committee and M.J. for the newsletter. Suggestions were made as how to solve these problems. We will wait until Eliane returns to make any final decisions. Boyd has removed himself from this process.

*The first meeting for the Holiday Party will take place on June 14. This year there are four neighborhoods involved: N9, N10, N48, and N57. Details to follow.

*There was a discussion on different ways we can spend some of our neighborhood money that has been collected. There will be a pizza party in August (connected to the General Events Subcommittee's game night event) in which neighborhood money will be used to purchase food and drink. We also discussed other places we could use the money.
