

Happy Holidays N48ers!

You are invited to a fun event we can do together from the safety of our golf carts! Join us for N48's very first

*Golf Cart Christmas Light Display Tour*.

Meet us at the CMC cul-de-sac on Thursday, Dec. 17 at 6 p.m. where we will form a golf cart caravan followed by bicycles and then cars. We depart the cul-de-sac at 6:05 p.m. prompt.

- Show us your holiday spirit by decorating your golf cart or playing Christmas music on radios or phones.
- We are mapping out a tour that will take us through neighborhoods with the best Christmas light displays in Sun City.
- For safety, please ride only with members of your household. Bring a mask just in case. Keep the carts 6 feet apart.
- In case of inclement weather, we will have our tour on Tues., Dec. 22.
- Please text your RSVP to Mary Beth at 214-557-6029.
