### **Donations Needed for *Christmas in July* Event**

The dynamic duo of Rebecca Moore and Nancy Chessman are preparing for the **Christmas in July** themed event. They need your assistance in collecting small gifts. These gifts will be used as give aways during one of the games being planned. If you have small, non-breakable, gently-used or new items you would like donate, please feel free to gather them, place in a plastic bag, and give them to either Rebecca (101 Medina Creek Cove) or Nancy (225 Coffee Mill Creek Road) before July 16<sup>th</sup>. Please be sure to include your name within the bag so items can be returned if unused. Names of donors will be anonymous during the game itself.

Examples of items desired: golf balls, golf tees, deck of cards, small travel-size toiletries, non-breakable knick-knacks or trinkets, jewelry, gadgets, pens/pencils, note pads, bookmarks, home-made or craft-related items, etc. Items can be freebies that you picked-up along the way, "white-elephant" items you'd like to pass along, or even nice items that are new or used which you don't mind giving to someone else to enjoy.

Feel free to call Rebecca (832-525-9170) or Nancy (920-858-2475) if you have questions or need more information. Thank you in advance and we look forward to seeing you at N48's **Christmas in July** event on July 23<sup>rd</sup>.

**From the Editor**

It has been a year and a half since I took over the N48 Newsletter job from Arcy Villegas, who had done the job for several years. I signed up for only two. I need to find someone who would like to take over what is not a hard job. I probably spend about three hours a month on it, and attend the Social Committee meetings once a month. If someone is artistic or creative, and would like to change the face of the newsletter, that would be great! The important part is to make sure all the dates are accurate, that the pages line up, the pictures don't cover the text, and things like that. Much of what I put in the newsletter is created by the various members of the Social Committee. I also cut and paste from the N48 website, as often Barb has loaded the content before the newsletter date. I would be happy to work with my successor to make sure we have a nice transition period. Let me know if you are interested! Thanks, MJ 214-498-4305
