

February Birthday Party “Food” Collection Changes

- At the request of The Caring Place, our N64 Birthday Party Food Drive has changed from a canned good item to a monetary donation.
- Caring Place currently has a high demand for baby diapers, personal hygiene items, toilet paper, detergent, and other basic need items. Our monetary donation will help meet those needs.
- The Caring Place will furnish a “Little Blue Collection Barrel”. We will place the barrel on our sign-in table for your convenience. That table will be located before you enter the Georgetown Room at Cowen Creek.
