TEXAS AIR
NATIONAL GUARD

HOWELL E. BROCK
LTC U.S. ARMY
WWII SILVER STAR

[illegible]

The Georgetown-Williamson County Veterans Memorial Advisory Group installs memorial bricks at the Veterans Memorial Plaza twice annually, in mid-July and mid-December. Order submission deadlines are approximately one week after Memorial Day and one week after Veterans Day, respectively.

Sponsors, donors, or purchasers are not individually notified of brick installation and installation ceremonies are discouraged. However, sponsors are welcome to attend, to assist with brick installation, and are encouraged to take photos.

Sponsors, donors, or purchasers can determine locations of installed memorial bricks on the Sun City website (SCTexas.org) and on the kiosk near the backdoors of the Social Center at 2 Texas Drive. These databases may reflect the intended placement locations a few days prior to brick installation.

Please be aware that each brick line is strictly limited to sixteen (16) characters; there are no exceptions. Note also that noncompliance with character limitations may result in brick-installation delays.

Your memorial brick orders support maintenance of the Georgetown-Williamson County Veterans Memorial Plaza.
