- VIII. HOME OWNER ENDORSEMENT – PART I**
- Review of this application is only for general design and aesthetic conformance of the design of the project. All work performed must be in accordance with the approved plans and specifications, and any requirements noted.
  - Applicant is responsible for all dimensions, accuracy of plans, required building permits, performance and adherence to all applicable government codes, ordinances, and regulation, including general condition of the work site and the public right-of-way immediately in front of the home.
  - The home owner and contractor are mutually responsible for compliance with the city’s codes and ordinance requirements, including obtaining work permit(s) from the city as well as the Final Inspection required by the City.
  - Any material departure from the plans or specifications submitted with this application and upon which approval was based, will require resubmission, review, and reconsideration for the project as a whole.

# MODIFICATIONS COMMITTEE APPLICATION

FORM B-1 VERSION 20210624

## IX. HOME OWNER ENDORSEMENT – PART II

Per DG ARTICLE 2.4 - *No work may commence on any project governed by the DG unless MC has approved an application and the required permit has been issued.* I acknowledge that if any work has commenced prior to the approval of the Modifications Committee, I will be liable for all costs necessary to bring the work into compliance with Sun City Texas's governing documents. If a city work permit is required, no work will start until it has been issued.

## X. PROJECT DEADLINES

Projects are to be commenced within 120 days of approval by the Modifications Committee and must be completed within 60 days of commencement unless a different time period has been requested and granted by the Modifications Committee.

My signature indicates that I have read the above and pertinent articles in the Design Guidelines.
