Reminders:

Cyber Security: Cyber security today is a rapidly changing landscape of news and events. In an effort to keep the membership informed the computer club has a link on the Cyber Security SIG's web page to NEWS BLOG. Using this link brings up the most recent postings in a digest form. If members see item(s) that are of interest, click on the item(s) as they scroll by. Opening any of the items on the scrolling digest opens all previous items in a separate web page. [Message from the Cyber Security SIG.]

Malware Help: microsite is available for use. Click here.

Lab Hours: Mon. and Sat. 9:00 am – noon. Tues., Wed., Thurs., and Fri. 9:00 am – 3:00 pm

Help Center Hours: Tue. 1:00 - 3:00 pm, Fri. and Sat. 9:00 - Noon. For additional information, see the Computer Club's pages on the community website.

If you are signed up for a training class and cannot attend, please stop in the CyberCenter or call 868-9780 to cancel with the Monitor. You will be given credit which can be used for a future class of your choice. Someone else may be waiting for a chance to take the class. This is especially important with the Windows 10 classes, as many members are waiting to take the class.
