

Computer Club E-Newsletter
October 15 – October 21, 2017

[illegible]

Malware Alert:

A recent version of the popular computer maintenance program “CCleaner” has been found to contain malware. Here is useful information from our Help Center personnel.

CCleaner – What you need to know:

- The recent compromise of CCleaner affected slightly over 3 million of the more than 100 million covered users
- The users affected were primarily 32 bit versions and/or subscribers to the cloud version of CCleaner
- Users should ensure that they employ version 5.34 or higher
- You can download the newest version at this link:
<http://www.piriform.com/ccleaner/download/standard>
- To ensure that malware is removed, run both Malwarebytes and Microsoft Defender

The Computer Club has begun transferring the class registration procedure to ***an online registration system through the Sun City Computer Club website.*** Two October classes (Windows 10 and Windows Files & Folders) and all classes scheduled to start in November will be under the new system. **Members can view the November Class Calendar and register** for classes by logging in to the Sun City CA website at www.sctexas.org Click **RESIDENT LOGIN** and login>>**Clubs and Neighborhoods>>Charter Clubs>>Computer Club>>Training** in the left panel>>go to **Online Registration Calendar>>**advance to November calendar listings.

Full directions as well as how-to videos & a tutorial are located on the Training Home Page and can be viewed without logging in on the Sun City website. Those already registered for the two October classes have been transferred to the new system. [This information will be repeated in future Newsletters until 10/19.]

You can still register for October classes in the Computer Club Lab as before. Check available October classes at www.sctxcompclub.org

Thank you –

- to all who replied to the advanced Excel class survey. The results overwhelmingly favor preparing a class on “Formulas and Functions” (83%), followed by “Charts” (67%). Accordingly, we will prepare a class that will cover these subjects. The new class will be announced when ready, and scheduled as soon as possible thereafter.

Reminders:

If you are signed up for a training class and cannot attend,
please stop in the CyberCenter or call 868-9780 to cancel with the Monitor.
You will be given credit which can be used for a future class of your choice.

Feedback: You can give us your feedback at any time by signing on to the www.sctexas.org website, navigating to the Computer Club microsite, then clicking on the “Feedback” button on the right side of the window, or the “Feedback” link in the left navigation panel.

SIG Meetings: When you attend a SIG meeting, it is very important that you remember to sign-in on the meeting room sign-in computer.

Cyber Security: Use the link on the Cyber Security SIG's web page to access NEWS BLOG.

Malware Help: The microsite is available. [Click here.](#)

Lab Hours: Mon. and Sat. 9:00 am – noon. Tues., Wed., Thurs., and Fri. 9:00 am – 3:00 pm

Help Center Hours: Tue. 1:00 – 3:00 pm, Fri. and Sat. 9:00 – Noon.

For additional information: See the [Computer Club](#)'s pages on the community website.
