Bocce Club trains newcomers to the game

By SUSAN GOMEZ

Bocce is a popular sport worldwide

The Sun City Bocce Club is currently teaching "newbies" several methods of play and how to compete. It takes a year to receive all of the training.

At the moment, International Play is not prevalent in the Bocce Club. Seasoned members do use it for in-

struction, however, while they usually play by Sun City Rules.

It starts with eight teams with four people on each team. The semifinals have four teams in play.

Finally two teams are in play, and the winners get medals.

Steve Mellinger is the very helpful club president of the club. Contact him at steve-mellinger8618@gmail.com.

Susan Gomez

The Sun City Bocce Club welcomes both new and experienced players.
