## Volunteer Mentors Needed:

The "First Time Homeroom" sessions are intended to provide beginning computer users basic guidance about how to use their computers more

effectively.  During each session, each beginning computer user will ask a mentor her/his questions during a short one-on-one discussion.  After each discussion, the mentor will move on to another beginning computer user.

Three more "First Time Homeroom" sessions are planned for November 13, November 27 and December 11.  These sessions will be from 3:30 to 5:00 in the Computer Club Annex.  More sessions may be planned for 2019.

If you could be a volunteer mentor during these sessions please contact

Michael L. Smith
Leader of the First Time Homeroom initiative.
Email: michaelleesmith@suddenlink.net
(Please note: the email address provided last week contained a typo. If you tried to contact Michael and couldn't, please try again.)
Phone: 512-943-4891
