\* NEXT FIRST TIME HOMEROOM SESSION

The “First Time Homeroom” sessions are intended to provide beginning computer users basic guidance about how to use their computers more effectively. During each session, each beginning computer user will ask a mentor her/his questions during a short one-on-one discussion. After each discussion, the mentor will move on to another beginning computer user.

The next First Time Homeroom session will be Tuesday December 11, 2018 from 3:30 to 5:00 in the Computer Club Annex in the Activities Center at 1 Texas Drive. There is no prior registration nor prior sign-up for this session. Just bring your questions and your laptop computer( if you have one ). To avoid disturbing the preceding event in the Annex, please arrive after 3:30.

More First Time Homeroom sessions may be planned during 2019. Dates and times for these future sessions have not been determined.
