To the entire 2018 Bocce Club Leadership Team

The success of our club is due to you, your predecessors, and the foundation you have all built.

Because of your hard work, diligence and love of having a good time while playing a game we all love our club will continue to grow.

At the end of your journey you can hold your head high and soak in the admiration we all have for you.

We can't give you back all the hours of hard work you put in.

We can't take away the harsh moments you endured.

We can't ease the memories of the aches and pains after a long day on the courts.

We can remind you of all the great time you had and will continue to have.

We can treat you with the respect and admiration you have all earned both as leaders and friends.

Lastly, we can't thank you enough for all you've accomplished and done for our club.

Thank you

Thank you

Thank you

Gratefully
