PRESIDENT'S CORNER

We are off to a great start with the Party theme night being a big success even with the regrettable food shortage. You would think buying about 20 more servings than tickets sold would work. Apologies to those affected. I guess those in the front of the serving line were really hungry. We have a plan in mind to keep that from happening again.

The "Dance Crew" is taking shape. Look for them at our dance events in the ballroom. These men will be moving around the room looking for someone to dance with, so give them a try. And if a lady wants, she is welcome to ask a member of the Crew for a dance. They will be readily identifiable.

I have appointed Nancy Tinsley to the Membership Chair position on the board. The board unanimously approved this action.

Please visit our web site to see what's planned this year. Also, the Board is interested in hearing from you. Give us your suggestions.
