## *Webmaster Needed*

New opportunities in my life have deemed it necessary to resign from my duties as the Photography Club's Webmaster. I'll happily stay on as back-up, and even send out required e-mails, but cannot provide the attention that the Photo Club's website deserves. I'm hoping someone rises up to the task - it is helpful to have a fairly good knowledge of computers but I will train and will be available for questions and assistance.

If you are interested, please contact me at [cathy0114@gmail.com](mailto:cathy0114@gmail.com). Thank you in advance.

*Photographer of the Month*  
*June 2019*  
*Jim Sandham*

Val and I moved to Sun City in Aug. 2017, and the Photography Club was the first club I joined. My photographic preferences include travel, outdoor, automobile shows, airplanes, botanical gardens, state parks, and all kinds of field trips. I've found that joining the Nature Photography and Competition SIGs in our club has really helped me improve my skill set and techniques.

I got my first camera as a 4<sup>th</sup> grader, and I've been taking photos ever since. I must have inherited my interest in photography from my grandfather, who was a commercial photographer, and from my uncle who was a serious amateur photographer.

I've owned point & shoot cameras, bridge cameras, along with full-frame film and digital SLRs. Right now I'm using a Panasonic Lumix DMC-ZS40 point & shoot camera for travel. I also use a Sony RX10 Mk IV bridge camera for all of the field trips that I lead for our club. I enjoy running the Fun Foto Social for the club each month, where we can all share photos just for the fun of it! [Please click here for my gallery](#) (Note: you may be required to log in first).

Each month a club member is featured to help all of us get to know each other just a little bit better. View Rita Johnston's three printed photos at the Cowan Creek Amenity Center in April. Sixteen of Marsha's digital images are posted in a gallery on the club's website, along with her biography.

A special thanks to **Walt Grabowski** for coordinating this exhibit.

*Theme - Civil War Reenactment*

My husband, Joe, and I moved to Sun City from Murrieta, California in 2015. I am a Hoosier, born and raised in Indianapolis, Indiana.

My very first job was working in the Public Relations Department of The Indianapolis Star and The Indianapolis News. There were times when we did not have enough photographers on staff for an event that the Newspaper was sponsoring, so we had to take our own pictures and that is when I learned to take photographs. Back then it was film, and we had to process our own photos. Times have changed drastically **and for the better!**

I take all types of photographs, but I really love action shots. If you are a member of the Bocce Club, you will see my photos in their monthly newsletter as I am the club photographer.

I attend as many field trips as I possibly can with the Photography Club. The one I most enjoyed is the Civil War Reenactment, which is the theme of my solo wall.

I am active in my church, Grace Episcopal Church. I am an active member of the 59er's Winer Club in Neighborhood 59, Bocce Club, Computer Club and Photography Club.

I thought I was retired but I am busier now than ever and I wouldn't have it any other way. Thanks Sun City Photography Club.

**I hope you enjoy my pictures.**

Special thanks to **Holly Moore** for coordinating this exhibit

## *Fieldtrips With Jim*

### *Spoetzl Brewery on Sat. June 15th*

The brewery, where all Shiner Beer varieties come from, is old fashioned and quaint, not all stainless steel and glass. We can watch how they make the beer, and visit their gift shop full of Shiner merchandise. Then we'll go to **Werner's Restaurant** for lunch, followed by a visit to **Sts. Cyril & Methodius Church**, which is one of the famous **Painted Churches of Texas**. Photo ops indoors and outdoors will abound. I have spoken with people at all of these places, and everything is in order. **I have received permission for us to shoot photos inside the brewery and the church -- no surprises.**

The drive is two hours each way, so **let's leave here at 8:45 AM**, arriving at the brewery close to 11:00 AM, which is the time of their first daily one-hour tour. We'll head down the street to Werner's around noon for lunch. Then we can go to the church sometime between 1:00-2:00. If we finish at the church around 3:30-4:00 and head home, we can be back to Sun City close to 6:00 PM. How's that for an exact schedule?

**We are car pooling for this trip.** I will drive my own car with room for 3 more people. We will need 1 or 2 other cars, depending on how many people sign up for the trip. I will provide some maps, along with background information about the brewery and the church that you can read during the drive down there

## *Fun Foto Social*

June's Fun Foto Social is on June 28th from 4:00 - 6:00 in Meeting Rooms 1 & 2, Activities Center.

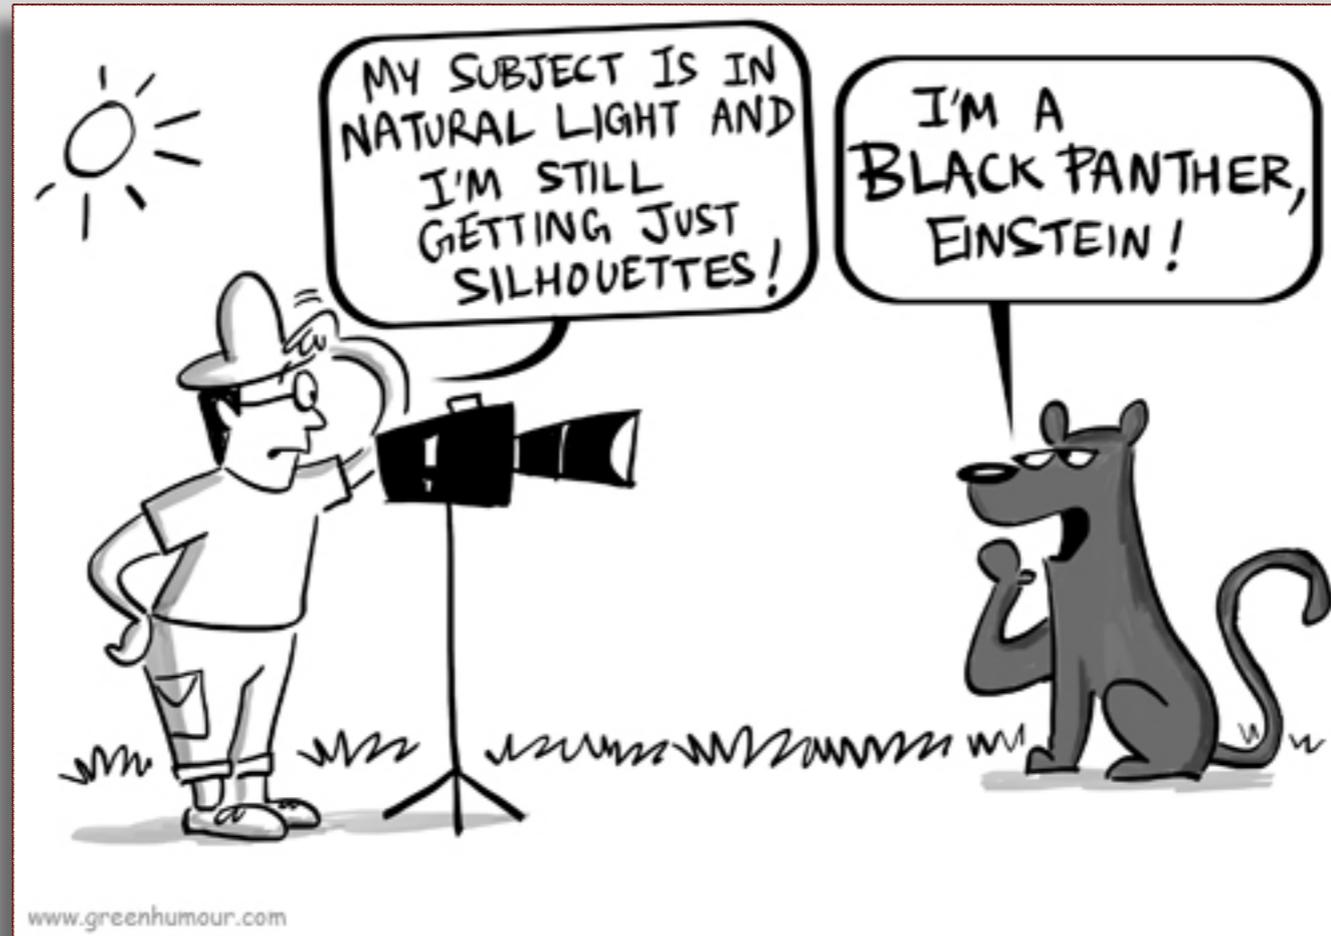

Please bring enough goodies, snacks, finger food, etc. to share with the rest of the group. As always, remember to bring your own choice of beverage, unless you just like the Activities Center water better.

Please resize your images down to 1200 pixels on the long side (which is more pixels than we need anyway). That way you can attach all of your files to a single e-mail message.

2. Attach your photos to an **E-MAIL MESSAGE** sent directly to my address: [jsandham77@gmail.com](mailto:jsandham77@gmail.com) That will enable me to load them onto my laptop PC well before the meeting.
3. DO NOT bring your photos on a FLASH DRIVE. That method is messy and delays the meeting for me and you.
4. Send me no more than ten (10) images each month. Be prepared to "talk to" each of the photos so we can appreciate them better.
5. Send them to me by the end of the Monday before that month's Fun Foto Social.
