## *There Will be NO General Meeting in July*

The next General Meeting will be on **August 7** at Cowan Creek Amenity Center Social - 1:45, Meeting - 2:15

Randy Dykstra will be our guest speaker. He will make a brief presentation about what judges look for in contests and then will do an evaluation of a few photos provided by club members. For further information about Randy, visit his website at <https://www.rdykstraphoto.com/>

More information will be coming - stay tuned!

*September 1st Will Be Here Soon!!!*

## *Webmaster Still Needed*

I must resign from my duties as the Photography Club's Webmaster effective September 1st. I'll happily train and stay on as back-up, but cannot provide the attention that the Photo Club's website deserves. If there isn't a webmaster, then people will no longer be able to register to exhibit - both on-site locations and off site, Photographer of the Month recognition and galleries will no longer be available, calendar items will be woefully out of date, etc.

If you are interested, please contact me at [cathy0114@gmail.com](mailto:cathy0114@gmail.com).

*July - August 2019*  
*Peggy Reeder*

I have been a photographer much of my adult life, but only in the sense of capturing casual pictures of my family and friends as well as vacation and travel memories. I became much more deeply involved a few years ago when I decided to photograph my granddaughter's first high school volleyball season and realized that I was totally unprepared – and that my iPhone just wouldn't do. That event began my quest to become a "real" photographer. I soon purchased my first Nikon DSLR and joined the Sun City Photography Club. The many, many generous members of this club continually provide a wonderful opportunity to learn, and to grow, and to practice, and I am very grateful for their help and encouragement.

I currently shoot with a Nikon D7200. I don't have a particular specialty, but I seem to shoot lots of flowers and things that don't move around too much! We spend time in Michigan every summer, and I love to try to catch the lighthouses in stormy weather.

To view Peggy's gallery, please click [HERE](#). Note: You may be asked to sign into the website.

Each month a club member is featured to help all of us get to know each other just a little bit better. View Rita Johnston's three printed photos at the Cowan Creek Amenity Center in April. Sixteen of Marsha's digital images are posted in a gallery on the club's website, along with her biography.

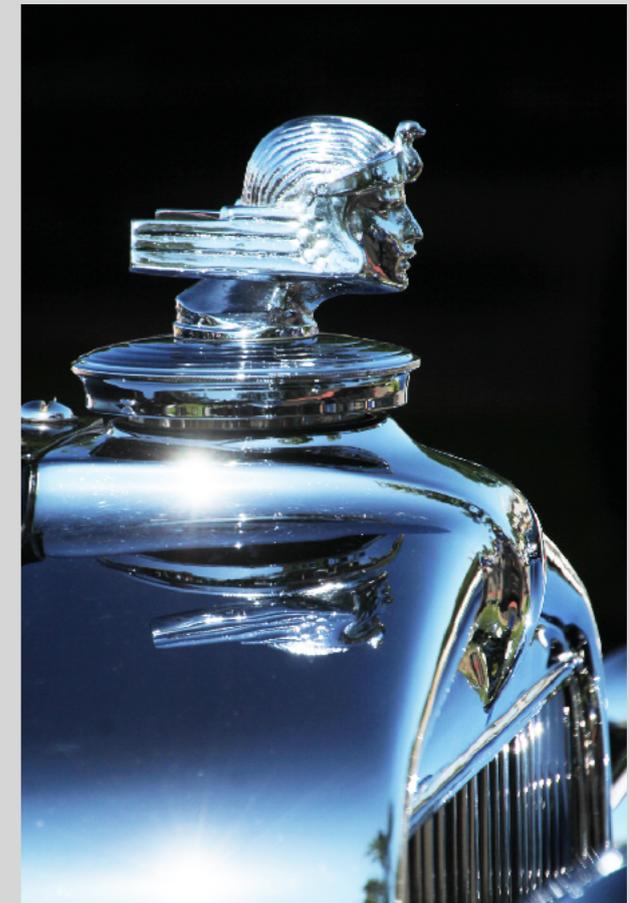

A special thanks to **Walt Grabowski** for coordinating this exhibit.

*Theme: "Concours d'Elegance Automobiles: It's All in the Details"*

I've had a lifelong fascination with cars. After I retired, I had free time to start going to car shows, where I discovered a whole new level of beauty at Concours d'Elegance events. Some of the cars produced from the 1920s through the 1950s were actually works of art. These unusual, high-end, and bespoke cars were often made in small numbers, making them rare today. For me, the true beauty of these cars can be found in the details. I hope you share my fascination with the details in these photos.

Special thanks to **Holly Moore** for coordinating this exhibit

## *Fun Foto Social*

July 26th from 4:00 - 6:00 in Meeting Rooms 1 & 2, Activities Center

Please bring enough goodies, snacks, finger food, etc. to share with the rest of the group. As always, remember to bring your own choice of beverage, unless you just like the Activities Center water better.

Please resize your images down to 1200 pixels on the long side (which is more pixels than we need anyway). That way you can attach all of your files to a single e-mail message.

2. Attach your photos to an **E-MAIL MESSAGE** sent directly to my address: [jsandham77@gmail.com](mailto:jsandham77@gmail.com) That will enable me to load them onto my laptop PC well before the meeting.
3. DO NOT bring your photos on a FLASH DRIVE. That method is messy and delays the meeting for me and you.
4. Send me no more than ten (10) images each month. Be prepared to "talk to" each of the photos so we can appreciate them better.
5. Send them to me by the end of the Monday before that month's Fun Foto Social.
