✚ **A Note from Gerry Charlebois regarding Luminaries Removal**

“Neighbors,

Our neighborhood looks awesome with all the luminaire lights!

I can't thank the many volunteers enough in assembling and setting them up! It truly does take a village!

Let's take them down by this weekend, January 5th. Everyone is responsible to pick theirs up and store them. They are yours!

I will do another order next year and we will work on an improved set up so they withstand the wind. : >)

Thanks for joining in and lighting up Neighborhood 48!!”
