A Message from our Sponsor

Welcome to the iDevices SIG. We appreciate your interest in our program today.

As information, participation in SIG activities requires you to be a member of the Computer Club.

If you are not a CC member, you are welcome to attend today's presentation as a guest, but you must join the club if you wish to come again.

You can join online via the Sun City website ticketing program or in person at the Members Services office in the Social Center.

And now back to our regularly scheduled program...
