# Modern Life

Let's relax tonight  
by spending two  
hours trying to  
find something to  
watch on Netflix.

Swipe to the next letters without lifting your finger

Put your finger on first letter of next word - a space is automatically entered

Words with double letters only need the first one

Go slowly at first

iOS remembers your patterns

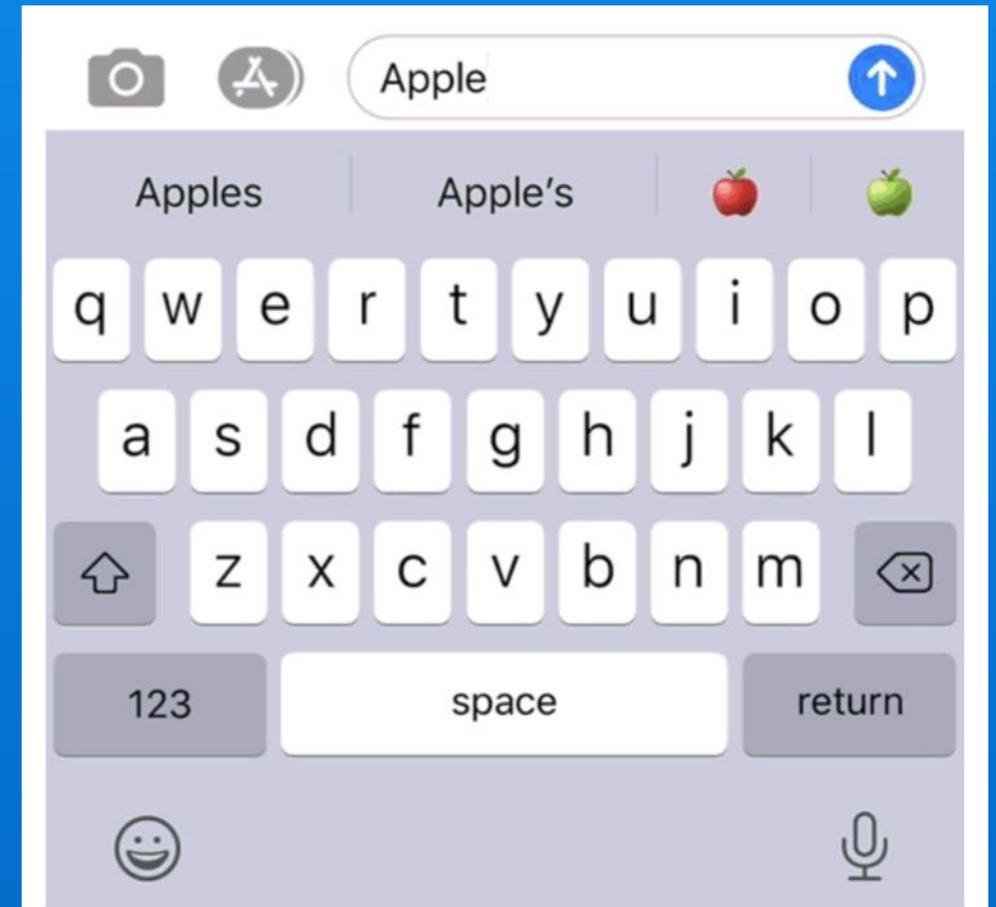

Quickpath uses context and autocorrect. - to vs too

You will become much better over time

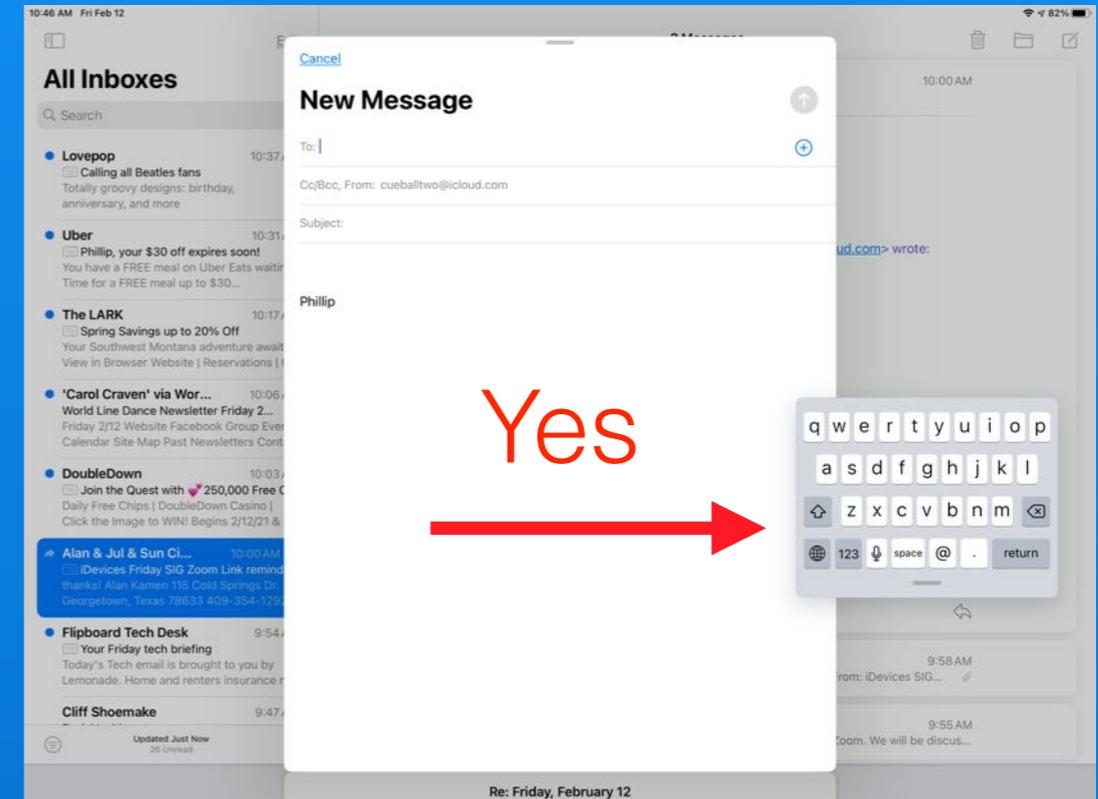

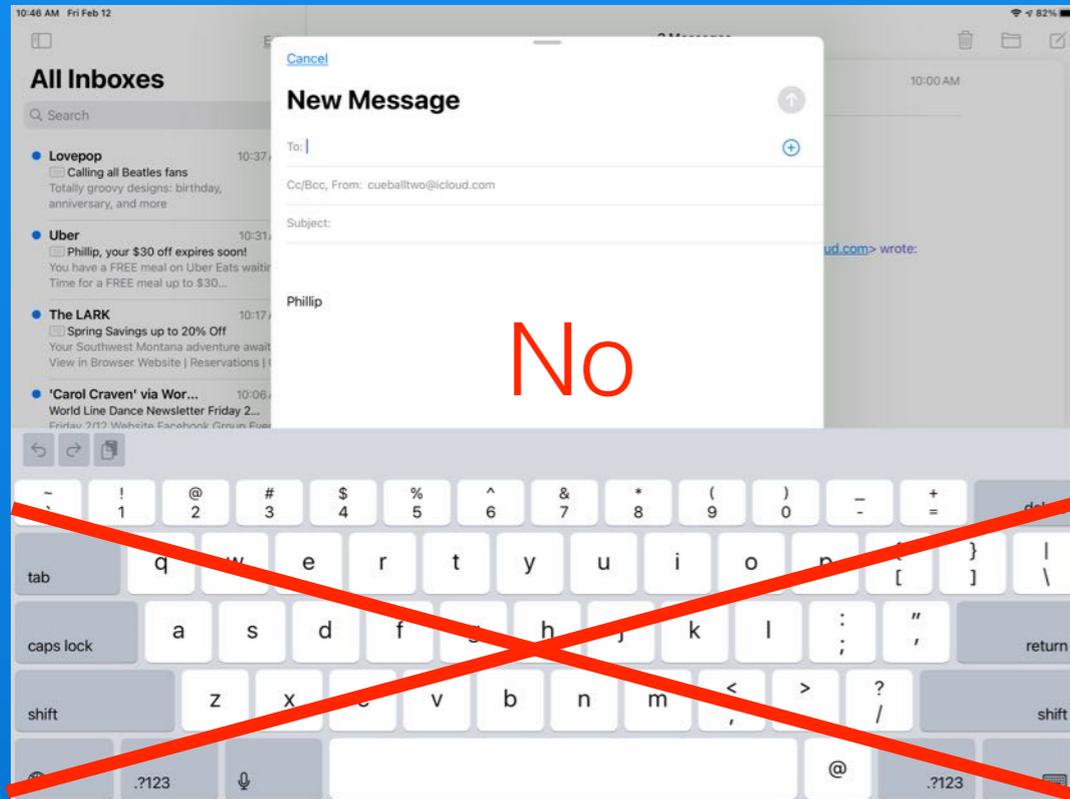

You can't swipe numbers
