***N48 Italian Dinner Night - The Social Committee's Special Events** subcommittee is planning a dinner event on October 16, 2021. We are so hoping to repeat the N48 Italian Dinner Night as it was such a success a couple of years ago but, as you are aware, the subcommittee will need to monitor the state's status of Covid to determine whether we will be able to host a buffet-style Italian dinner or whether it will be necessary to have a "cost per/person" dinner catered in from Olive Garden or elsewhere. At this time, we ask that you save the date and we will provide more details as we progress forward.

Something to make you SMILE! A Mama doe recently gave birth in the Williams's backyard. She kept standing at our fence keeping an eye on our dog, Ziva, to make sure her baby is safe. But, Mama doe quickly realized that Ziva is harmless, so Mama stopped to play with her one morning. You can watch here:
