Sundancer Square and Round Dance Club's first square dance since COVID was July 12th. We dance Monday's starting at **6:00 p.m.** with Mainstream, followed by Mainstream/Plus at 7pm, then all Plus dancing from 7:30-9pm. Masks are optional. We have a lively group of dancers. Last week, our guest caller was Gary Bible. We had a great time due his willingness to be flexible with the group and stay positive. Please come join in the fun this coming Monday, August 23rd

We are continuing to plan our lessons starting with our **FREE Fun Night at 6:00pm on Monday, September 13th**. Fun Night and the following dance 9/20 are **Free for ALL**. Our last class of students, who were unable to finish because of the pandemic, are welcome to return to the new lessons at **No Charge**. Fees for the entire set of lessons, about 16 weeks or more, are \$40/dancer. All students who enroll in Sundancer lessons can also attend lessons at Shirts & Skirts in Georgetown at no extra charge. This will give our students the opportunity to attend 2 nights of classes/week for extra practice. Brad Caldwell will be teaching at both locations. Our students are welcome to take advantage of this opportunity.

Sundancers are committed to making sure that **ALL** dancers are able to dance. Singles are encouraged to come and join in our squares.

Our Round Dance group dances on Sunday afternoons, beginning at 2pm in the Atrium. Once a month, in addition to dancing, we are all getting together to enjoy socializing and games. At this time, beginners are learning the waltz. **We start Two Step lessons on September 12th**, at 2pm in the Atrium. **The first 2 lessons are Free**. All new dancers are welcome to attend! Encourage friends and neighbors.
