# 🍏 In The News

## Driver's License in 🍏 Wallet in iOS 15

Roll out to 8 states first - not Texas  
Arizona and Georgia

Scan with face id/gestures to  
validate input

TSA approved in some airports

Privacy issues - Unlocked iPhone?

Proprietary system?

# 🍏 In The News

~Rumor~

iPhone 13 will have Satellite Connectivity

~*Rumor*~

Connect to Low Earth  
Orbit (LEO) Satellites

Emergency calls only

When cell signal is  
weak or not available

# 🍏 In The News

🍏 announced expanded protection for children program with two features

1. Checking for child sexual abuse material in iCloud photos using a Neural Hash compared to known CSAM (child sexual abuse material) images
2. In child accounts - blur sexually explicit images in texts messages

This has many privacy Issues, 🍏 has delayed rollout

[Click here for 🍏 FAQ explaining this program](#)

# In The News

## Anti-trust and other Issues

Developers must use Apple for payments/subscriptions

Apple takes 30% of the payments/subscription \$\$

Spotify, Epic Games and others

Right to repair issues

European Union - 5 years software and parts support

Congressional 'get tough on Big Tech' approach
