

Outfoxing the fox

Sun City ham radio operators Don Davidson, Ken Jennings, Tom Banet, Jim Richardson, Jeff Hahn, Curtis Guyote and Don Parrish used radio directional finding equipment to hunt for a hidden radio transmitter (the 'Fox'). Jim Richardson was the first to locate the signal. Photo by Don Parrish. SCARS' monthly Saturday morning radio hunt hones members' radio operation, map and signal-tracking skills. Each month's winners hide the Fox for next month's hunt.

N13 fundraiser feeds families

N13 residents Kerri and Roland Schroeder present a check for \$3,290 to Rita Turner of The Caring Place. The Schroeders started a neighborhood food drive 13 years ago which has now become a fundraising effort. The Caring Place can purchase 14 pounds of food per dollar donated.

China painting seminar

Creative Clay & China Club members, Pam Epstein, top, Delyce Ruyle and Bonnie Wright, enjoyed a fast-paced 3-day china painting seminar in Austin. Each student painted two tiles that were fired in the kiln twice. Visit the Creative Clay & China Club studio to view the end results.

Vendor Fair fun

Ohio Club members and Sun City residents for 12 years, Bill and Linda Crist enjoyed visiting with a variety of local businesses at the Spring Vendor Fair in March.

Outfoxing the fox once again

Using radio directional finding equipment, ham radio operator Tom Banet (K15RAZ) was the first hunter to find a hidden low-power radio transmitter (aka the 'Fox').

This monthly Saturday morning event, sponsored by Sun City's Amateur Radio Society (SCARS), is designed to hone members' radio operation and signal-tracking skills. Each month's winner hides the Fox somewhere within Sun City for the next hunt.

Happy hole in one!

Rick Wells joins in the excitement as his teammate John Wroblewski, right, has just hit a hole in one in the Wriggley's Match Play Tournament.

Easter weekend radio hunt

Ham radio operator Don Parrish, KA5OXN, was the first to find the hidden low-power radio transmitter (aka 'The Fox') using radio directional-finding gear. One of Sun City's Amateur Radio Society's (SCARS) outdoor events, this monthly Saturday morning hunt helps hone members' radio operation, mapping and signal-tracking skills. Each month's winner hides the fox mini-transmitter somewhere within Sun City for next month's hunt. Photo by Tom Banet

Spring potluck

Neighbors on Yaupon Lane, Black Walnut and Persimmon Lane enjoyed excellent food and fellowship at their spring potluck get-together hosted by Susan and Ron Piecz.

Feeling blessed

Susie Peters and Lily await their turn at the Blessing of the Animals event in October. Hosted by the Sun City Pet Club at Cowan Creek Amphitheater, pets of all shapes, sizes and breed were celebrated and blessed. Photo by Faith Burns

Amateur Radio Society October Fox Hunt

Using radio directional-finding(RDF) gear, ham radio operator John Scott KK5VH was the first to zero in on a well-hidden low-power radio transmitter (aka 'The Fox'). This monthly third Saturday event hones members' radio operation, map and signal-tracking skills. Each month's winner hides the "Fox" somewhere within Sun City for the next hunt.

Nature Club Bluebonnet Seeding Project

Members of the Sun City Nature Club spent a morning in mid-October raking the ground, planting and watering bluebonnet seeds near Pedernales Falls Drive, Rocky Hollow Creek Drive and the Pedernales Falls bridge adjacent to the hiking trail. Special thanks also to the Property and Grounds committee and the CA for their support.
