## WOMEN HELPING OTHERS

A CHARTERED CLUB OF SUN CITY TEXAS

Since 2014

Women Helping Others meets once a month to focus on support for local community based organizations that are serving the needs of individuals and families, both adults and children in the Georgetown & Williamson County area.

Speakers are invited to inform and educate our members about their outreach programs and service opportunities, including financial needs and needed program support. Through the power of our combined members, working together with local agencies, WHO is making a significant positive difference in our community through the donation of our funds, volunteer service time and the collection of goods.

In the process, we have a lot of fun, serving and caring while we enjoy the fellowship and camaraderie of our neighbors and build inclusion among our members.

Regular meetings are held on the fourth Monday of each month from January through November in person at the Ballroom on Texas Drive. As a member you will get email notifications with links or details for all upcoming meetings and events. Be sure to keep your contact information up to date on your profile page. Our membership dues are \$10 annually and you can sign up right from your resident login to [sctexas.org](http://sctexas.org). An optional \$10 per meeting donation goes to support our core philanthropy. All funds raised flow directly through to local non-profit, community-based organizations. For more information visit our club page.
