write a story about a purple unicorn flying through outer space

Once upon a time, there was a purple unicorn named Sparkle who lived in a magical land. One day, Sparkle decided to explore the universe and see what was beyond her world. She flew up into the sky and kept going until she reached outer space. She was amazed by all the stars and planets she saw. She flew around for hours, taking in all the sights and sounds of space. Suddenly, she saw a shooting star and decided to follow it. The shooting star led her to a distant planet where she met some friendly aliens who showed her around their world. Sparkle had an amazing adventure and couldn't wait to tell all her friends back home about it. The end.
