March 2024

March is hustling in and we are all ready for spring, but knowing Texas weather - be careful about putting those winter jackets away too soon. Remember some old Texas sayings - until the pecan trees bud out - winter is not over, and - if there is thunder in February be looking for a freeze in April. Your N48 neighbors have some fun activities planned for the spring. The Ladies' and Men's Happy Hours for March and April are already planned, and delicious lunches at First Watch are coming up for both the men and the women. We are looking forward to a fun Mini-Golf outing and have some enjoyable things planned for April too – our first Sit and Sip!

Looking forward to an enjoyable Spring!
