Greetings Square Dance Family

We hope you are well and safe.

I chose the greeting to 'our square dance family' with this consideration: throughout my 30 years of square dancing, the family spirit has been a constant, from club to club and city to city. Activities have included a Compassion Dancer in charge of get well cards, Teen Scholarship Fundraiser, contributions to silent auctions, not to mention willing hands for set up and clean up.

In this spirit I am asking for help for one of our own, our beloved caller, Brad Caldwell. Social distancing has precluded dancing for several months, and has hit small business owners hard.

If you are able, please consider giving Brad a 'Christmas gift' in June. Please be mindful of all that Brad has given to our club.

If you choose, you may send me (Jim) a check made out to Brad Caldwell. My address is

Jim McGovney  
207 Bartlett Peak Drive  
Georgetown, Texas 78633

If you chose not to mail your gift, there will be a drop-box at our front door, or I will collect it at a mutually-agreed upon place, maintaining a safe social distance. My cell phone number is 713-299-5716.

I would like to give Brad this token of our appreciation by June 15.

Thank you,
