Quick Facts & Info about SCARS – Sun City Amateur Radio Society

PRESIDENT'S CORNER

Welcome to your new home in Sun City (SC). In looking through all the amenities SC has to offer we hope you will consider joining the Sun City Amateur Radio Society (SCARS).

President Don Davidson, K5DTD

SCARS - the SC Club for ALL Radio Enthusiasts

- HAMS – FCC licensed amateur radio operators
- SWLs – Shortwave Listeners
- Radio ‘Techies’
- New enthusiasts wanting to learn about HAM radio

FOX HUNTING in SC

The only fox hunting you can do in SC is with your radio. One of SCARS’ most fun and casual get togethers is our monthly FOX HUNT. Search through SC for a hidden radio transmitter, known as the ‘fox’ with your portable radios and various directional finding commercial or hand-built VHF antennas. Members & riders meet on the 3rd Sat. monthly in the Activity Center (1 Texas Drive) parking lot @ 8:45am. Beginning at 9:00am the fox transmits on & off in code bursts on 146.565 MHz until found. Hunters’ communications are over the SCARS 440 repeater.
