N64 HELPERS STILL

WE are ↑ looking for a few good men or women who would be willing to help out neighbors with occasional simple tasks....

Examples:
changing lightbulbs or batteries, opening a jar, picking up something from the store or watching a pet for a few hours.

CONTACT PATTI at *pattiN64buzz@icloud.com if you are interested in joining this list of these helpers to contact when needed.

*EDITOR CORRECTION: Patti's email was INCORRECT (a missing N) in this section in last month's issue of THE BUZZ. Please note this correction.

Now that you have set your clocks ahead, it is a good time to also change your batteries in your smoke detectors. Many of them are hard wired, but they still need to have a battery if the power should go out.

By changing the batteries twice a year, you should have a feeling of safety if they are ever needed.

64's PET PAGE

"I was not a cat person," said Chuck Cavanah. But 13 years ago, in their hometown Paducah, Kentucky, Chuck and Sue's grandson handed them a tiny frightened kitten who later came to be known as Smokey. She was a flea covered little dear and needed a home. Their grandson knew his grandparents could give her the life she deserved. Only a few years later, as if a family tradition, Sue and Chuck's granddaughter found a little abandoned kitten. She named her Leah and she eventually gave her to her grandparents. Smokey got a roommate and the Cavanahs became a family of 4.

"It didn't take me long to realize that I WAS a cat person," Chuck said. "They are a real hoot!" Sue and Chuck moved to N64 eight years ago. The kitties were hunkered down in the back of the car and made their 12 hour journey to Sun City and have been enjoying Texas life ever since.

Sue said, "They each have their own personalities. Smokey, age 13, is a bit moody, she lives her life on her own terms." But she adds, "is a real character." Leah, age 10, on the other hand, is the more social one of the pair. She is always looking for a cuddle, wants a belly rub and can't seem to get enough "together time." Leah is the one in the photos who has made great friends with the yard owl.

SMOKEY AND LEAH

Sue, a retired nurse practitioner, and Chuck, a well known N64 musician, and member of the Band, Bitterroot, have a daughter and four grandchildren who live back home in Kentucky. "The cats have helped us when all the children grew up. They fill our days with affection, company, and endless enjoyment. It's amazing how they even sense if we are sick and provide real comfort." Sue and Chuck live a wonderful life of retirement now and are so happy Leah and Smokey are always by their sides. Charles Dickens said it best "What greater gift than the love of a cat."

DO NOT FORGET....

Dog owners: please pick up your precious pup's poop. There's been an odd epidemic of "leaving 🐛 behind!"

Also... if it's garbage day and you conscientiously "do your duty," as tempting as it is to drop the bag into your neighbors nearby garbage can it's quite frowned upon. Please dispose Fido's bag in your own 🗑️

N64 prides itself for being courteous pet owners.

Dachshund HERO

Debby Farley
with
RED & CANDY

Our neighbor Debby wears many hats but one of most impressive and inspiring hats she wears is that of a Dachshund Rescue Champion. Debby, a retired elementary special education teacher, found that she was surrounded by a very empty nest after her 3 children moved away. She knew there was a lot of love in her heart that could be shared after retirement, despite her children's efforts by providing Debby with 8 grandchildren. She joined an extraordinary group, The Diamond Dachshund Rescue of Texas. They are not a shelter; they are a nonprofit rescue organization who find foster and adoption matches for abandoned, neglected or abused dachshunds. No matter the age or condition of the dog, they find homes for them and provide veterinary care. The image of a little dog laying lifelessly on the road after being hit by a car and left to die, is almost too much to imagine, yet the folks at the Rescue accept any Dachshund, any time, no matter the situation. Debby has devoted her heart, energy and time to this program and is their Foster Coordinator. She has even placed 2 Dachshunds here in N64: Sandra Harlow, dear Coco and Rita Wood, sweet Trudy. Next time you see Debby Farley, please give her an extra tip of the hat for her wonderful work for this remarkable breed.

YOU'VE BEEN BUZZED!

Every month special recognition will be given to an individual or a group who went above and beyond anyone's expectations.

This month's "YOU'VE BEEN BUZZED" award goes to the

BIRTHDAY PARTY TEAM

"BEFORE, DURING, AND AFTER"

who made the 8th annual N64 birthday celebration possible.

There are too many to list, but so many people worked hard to organize, set up, clean up, serve, break down and assist. Without the spirit of volunteerism, our neighborhood wouldn't be what it is.

Neighbors working together to pitch-in is a beautiful thing.

THANK YOU TO ALL THE HELPER BEES WHO MADE OUR BIRTHDAY CELEBRATION PARTY A SMASHING SUCCESS!

HOBBY CORNER

There are so many talented neighbors in N64 with hobbies.

Rose Simone loves crafting and makes beautiful plastic canvas message holders that can be inserted with gift cards, lottery tickets etc. and can be given as a gift for all

occasions. Rose also dabbles in crocheting and donates crochet projects to local churches for the homeless, senior homes & the Samaritan's Purse Project, Operation Christmas Child shoe-boxes that are sent around the world filled with gifts & toys for small children.
